 - (ii) promptly after the copy of the Default Access Agreement is delivered to the Unit Holder, the Unit Holder must duly execute a copy of the Default Access Agreement and deliver it to Aurizon Network.

3.4 Dispute

If the Unit Holder Disputes the form of:

- (a) an applicable Access Agreement completed and modified by Aurizon Network under **clause 3.2**; or
 - (b) the Default Access Agreement,
- then:
- (c) the Unit Holder may give Aurizon Network a Dispute Notice in respect of that matter; and
 - (d) if the Dispute is not resolved in accordance with **clause 8.2**, the matter may be referred to an Expert for the Expert to determine the form of the applicable Access Agreement (applying, for the purposes of such determination, the requirements imposed on Aurizon Network under this **clause 3**).

4 Utilisation of Nominated Access Rights

4.1 Application

This **clause 4** does not apply, and will be of no force or effect, if:

- (a) the Unit Holder is a “Preference Subscriber” (as defined in the Unit Holders Deed) which was issued Preference Units under clause **[5.10]** of the Unit Holders Deed; and
- (b) this Agreement was entered into between the Unit Holder, Aurizon Network and the initial trustee of the Trust following the execution of this Agreement by Aurizon Network in accordance with clause **[5.16]** of the Unit Holders Deed.

4.2 Access Utilisation Notice

- (a) If the Transfer Date occurs during the Construction Period, then within 60 Business Days after the Transfer Date, the Unit Holder must give a notice (**Access Utilisation Notice**) to Aurizon Network which:
 - (i) specifies:
 - (A) whether or not the Unit Holder, in its reasonable opinion, has a reasonable likelihood of utilising the whole of the Nominated Access Rights for each Access Period; and
 - (B) if not, the extent of the Nominated Access Rights (expressed as an even number of one-way train services) for each Access Period which the Unit Holder has a reasonable likelihood of utilising; and
 - (C) reasonable details of the reasons for the Unit Holder’s opinions in relation to the matters under **clauses 4.2(a)(i)(A)** and **4.2(a)(i)(B)**; and
 - (ii) is accompanied by reasonable documentary evidence which supports the Unit Holder’s opinions in relation to the matters under **clauses 4.2(a)(i)(A)** and **4.2(a)(i)(B)**.

- (b) If the Unit Holder does not give Aurizon Network an Access Utilisation Notice within the time required under **clause 4.2(a)**, the Unit Holder will be deemed to have given Aurizon Network, on the Transfer Date, an Access Utilisation Notice which specifies that the Unit Holder does not have a reasonable likelihood of utilising any of the Nominated Access Rights for any Access Period.

4.3 No utilisation of Nominated Access Rights

If the Unit Holder gives, or is deemed to give, Aurizon Network an Access Utilisation Notice which specifies that the Unit Holder does not have a reasonable likelihood of utilising any of the Nominated Access Rights for any Access Period then:

- (a) Aurizon Network may give a notice to the Unit Holder notifying it that **clause 3** ceases to apply, and will be of no further force or effect, with effect on and from the Access Utilisation Notice Date, in which case, **clause 3** will cease to apply, and will be of no further force or effect, with effect on and from the Access Utilisation Notice Date; and/or
- (b) Aurizon Network may terminate, with effect on the Access Utilisation Notice Date, any Access Agreement entered into, or deemed to be entered into, under **clause 3** before the Access Utilisation Notice Date by giving notice to the Unit Holder and the other parties to any such Access Agreement.

4.4 Access utilisation determination

- (a) Unless **clause 4.3** applies, within 30 Business Days after the Access Utilisation Notice Date, Aurizon Network must:
 - (i) determine, in its reasonable opinion:
 - (A) whether or not the Unit Holder has a reasonable likelihood of utilising the whole of the Nominated Access Rights for each Access Period; and
 - (B) if not, the extent of the Nominated Access Rights (expressed as an even number of one-way train services) for each Access Period which the Unit Holder has a reasonable likelihood of utilising;
 - (ii) give the Unit Holder a notice (**Access Utilisation Determination Notice**) specifying:
 - (A) Aurizon Network's determination(s) under **clause 4.4(a)(i)**; and
 - (B) reasonable details of the reasons for such determination(s).
- (b) The Unit Holder must promptly (and in any event, within five Business Days after being required to do so) provide Aurizon Network with any information or documentation reasonably required by Aurizon Network for the purpose of making the determination(s) under **clause 4.4(a)(i)**.

4.5 Dispute

- (a) If Aurizon Network gives the Unit Holder an Access Utilisation Determination Notice which specifies that Aurizon Network has determined under **clause 4.4(a)(i)** that the Unit Holder does not have a reasonable likelihood of utilising some or all of the Nominated Access Rights for any one or more Access Periods (and Aurizon Network's determination(s) specified in an Access Utilisation Determination Notice differs to the Unit Holder's opinion(s) specified in an Access Utilisation Notice), then the Unit Holder may, within ten Business Days after Aurizon Network gives the Access Utilisation Determination Notice to the Unit Holder, give Aurizon Network a Dispute Notice under **clause 8.1(a)** which Disputes Aurizon Network's determination(s) under **clause 4.4(a)(i)** as specified in the Access Utilisation Determination Notice.
- (b) If a Dispute referred to in **clause 4.5(a)** is not resolved in accordance with **clause 8.2**, then the Unit Holder may refer that Dispute to an Expert to determine, in its reasonable opinion, the matters that Aurizon Network was required to determine under **clause 4.4(a)(i)**.
- (c) If Aurizon Network gives the Unit Holder an Access Utilisation Determination Notice under **clause 4.4(a)(ii)** and the Unit Holder does not give Aurizon Network a Dispute Notice referred to in **clause 4.5(a)** within the time referred to in **clause 4.5(a)**, then:
 - (i) the Unit Holder must not give Aurizon Network a Dispute Notice under **clause 4.5(a)** which Disputes Aurizon Network's determination(s) under **clause 4.4(a)(i)** as specified in the Access Utilisation Determination Notice;
 - (ii) any such Dispute Notice which is given by the Unit Holder will be of no effect; and
 - (iii) the Unit Holder will not have, and must not make, any Claim against Aurizon Network in respect of that Dispute.

4.6 No utilisation of Access Rights

If:

- (a) Aurizon Network determines under **clause 4.4(a)(i)** (and the Unit Holder does not give Aurizon Network a Dispute Notice referred to in **clause 4.5(a)** in respect of such determination); or
- (b) if the Unit Holder gives Aurizon Network a Dispute Notice referred to in **clause 4.5(a)**, it is agreed or determined under the Dispute Resolution Process,

that the Unit Holder does not have a reasonable likelihood of utilising any of the Nominated Access Rights for any of the Access Periods, then:

- (c) Aurizon Network may give a notice to the Unit Holder notifying it that **clause 3** ceases to apply, and will be of no further force or effect, with effect on and from the Effective Date, in which case, **clause 3** will cease

to apply, and will be of no further force or effect, with effect on and from the Effective Date; and/or

- (d) Aurizon Network may terminate, with effect on the Effective Date, any Access Agreement entered into, or deemed to be entered into, under **clause 3** before the Effective Date by giving notice to the Unit Holder and the other parties to any such Access Agreement.

4.7 Variation of Nominated Access Rights and/or Access Rights

(a) If:

- (i) Aurizon Network determines under **clause 4.4(a)(i)** (and the Unit Holder does not give Aurizon Network a Dispute Notice referred to in **clause 4.5(a)** in respect of such determination); or
- (ii) if the Unit Holder gives Aurizon Network a Dispute Notice referred to in **clause 4.5(a)**, it is agreed or determined under the Dispute Resolution Process,

that the Unit Holder does not have a reasonable likelihood of utilising some or all of the Nominated Access Rights for any one or more Access Periods, then:

- (iii) Aurizon Network may give a notice to the Unit Holder notifying it that the Nominated Access Rights for each Under-utilised Access Period will be deemed to be varied, with effect upon the Effective Date, to be the Maximum Utilised Nominated Access Rights, in which case, the Nominated Access Rights for each Under-utilised Access Period will be deemed to be varied, with effect upon the Effective Date, to be the Maximum Utilised Nominated Access Rights; and/or
- (iv) if any Access Agreements have been entered into, or deemed to have been entered into, under **clause 3** before the Effective Date: then:
 - (A) if only one Access Agreement has been entered into, or deemed to have been entered into, under **clause 3** before the Effective Date, then:
 - (1) Aurizon Network may give a notice to the Unit Holder and the other parties to that Access Agreement, notifying them that the Access Rights granted under that Access Agreement for each Under-utilised Access Period will be varied, with effect upon the Effective Date, to be the Maximum Utilised Nominated Access Rights; and
 - (2) that Access Agreement will be deemed to be varied, as specified in the notice given by Aurizon Network to each of the parties to the Access Agreement under **clause 4.7(a)(iv)(A)(1)**, with effect on the Effective Date; and

- (B) if more than one Access Agreement has been entered into, or deemed to have been entered into, under **clause 3** before the Effective Date, then within 20 Business Days after the Effective Date, the Unit Holder must notify Aurizon Network of the variations which it requests to the Access Rights granted under those Access Agreements for each Under-utilised Access Period, so that, the Access Rights granted, in aggregate, under those Access Agreements for each Under-utilised Access Period equal the Maximum Utilised Nominated Access Rights.
- (b) If the Unit Holder gives Aurizon Network a notice under **clause 4.7(a)(iv)(B)**, within the time required under **clause 4.7(a)(iv)(B)** and in accordance with **clause 4.7(a)(iv)(B)**, then:
- (i) Aurizon Network may give a notice to the Unit Holder and the other parties to each of the Access Agreements which the Unit Holder has requested to be varied under **clause 4.7(a)(iv)(B)**, notifying them of the variations to the Access Rights for the Under-utilised Access Periods granted under their respective Access Agreements as requested in the notice given by the Unit Holder under **clause 4.7(a)(iv)(B)**; and
 - (ii) each such Access Agreement will be deemed to be varied, as specified in the notice given by Aurizon Network to each of the parties to the Access Agreements under **clause 4.7(b)(i)**, with effect on the Effective Date.
- (c) If:
- (i) the Unit Holder does not give Aurizon Network a notice referred to in **clause 4.7(a)(iv)(B)** within the time required under **clause 4.7(a)(iv)(B)**; or
 - (ii) the Unit Holder gives Aurizon Network a notice referred to in **clause 4.7(a)(iv)(B)** within the time required under **clause 4.7(a)(iv)(B)** but the notice is not in accordance with **clause 4.7(a)(iv)(B)**,
- then:
- (iii) Aurizon Network may, in its absolute discretion, determine to vary the Access Rights granted under any one or more of the Access Agreements referred to in **clause 4.7(a)(iv)(B)** for each Under-utilised Access Period, so that the Access Rights granted, in aggregate, under those Access Agreements for each Under-utilised Access Period equal the Maximum Utilised Nominated Access Rights;
 - (iv) Aurizon Network may, promptly after making the determination referred to in **clause 4.7(c)(iii)**, give a notice to the Unit Holder and each of the parties to each of the Access Agreements which Aurizon Network has determined to vary under **clause 4.7(c)(iii)**,

notifying them of the variations to the Access Rights for the Under-utilised Access Periods granted under their respective Access Agreements as determined by Aurizon Network in accordance with **clause 4.7(c)(iii)**; and

- (v) each such Access Agreement will be deemed to be varied, as specified in the notice given by Aurizon Network to each of the parties to the Access Agreements under **clause 4.7(c)(iv)**, with effect on the Effective Date.

5 Tax indemnity

5.1 Tax Indemnity

- (a) The Parties acknowledge and agree that the Extension Structure is not intended to result in any Extension Structure Tax Cost to an Indemnified Entity.
- (b) Subject to **clause 5.1(f)**, the Unit Holder must indemnify and keep indemnified Aurizon Network and the Trustee (both in its capacity as trustee of the Trust and in its personal capacity) (each an **Indemnified Entity**) against any:
 - (i) Extension Structure Tax Cost; and
 - (ii) all costs and expenses incurred or payable by an Indemnified Entity or a Related Body Corporate of it in connection with any Extension Structure Tax Cost referred to in this **clause 5.1(b)** or any action taken under or consistent with this **clause 5**, (for the avoidance of doubt, costs incurred by an Indemnified Entity in the ordinary course of its business in relation to matters that are unlikely to give rise to an Extension Structure Tax Cost are excluded), including:
 - (A) reasonable costs of engaging any person (other than an Indemnified Entity) to assist the Indemnified Entity;
 - (B) reasonable costs of employees of the Indemnified Entity or a Related Body Corporate of it; and
 - (C) all costs relating to legal proceedings concerning any Extension Structure Tax Cost, any audit or investigation made by a Governmental Agency in relation to the Tax treatment of the Extension Structure, and the settlement of, and steps taken to mitigate or resolve any process which could lead to, an Extension Structure Tax Cost, whether or not it transpires that it does,but only to the extent set out in **clause 5.6**.
- (c) An Extension Structure Tax Cost is:

- (i) any Liability for Tax that an Indemnified Entity or the Head Company incurs, suffers or is liable for, less any Extension Structure Tax Benefit;
- (ii) any Liability incurred by an Indemnified Entity under a Transaction Document to compensate another party to that document in respect of that party's Liability for Tax; or
- (iii) the tax effect (if any) of any Tax Relief of an Indemnified Entity or the Head Company that is utilised or denied,

in respect of the implementation of, participation in or exit from the Extension Structure where:

- (iv) the Liability, utilisation or denial would not have arisen or occurred; or
- (v) the Liability or the amount of the Tax Relief utilised or denied is greater than the amount that would have arisen, been utilised or denied,

had the Extension not been designed, procured, constructed and commissioned and the Extension Structure not been implemented.

- (d) An Extension Structure Tax Benefit means the tax effect of any Tax Relief available to an Indemnified Entity or the Head Company in relation to the Extension Structure for the year of income to which the Liability for Tax referred to in **clause 5.1(c)(i)** relates, but only if the Tax Relief has not already been taken into account in determining the Liability for Tax and only to the extent that the tax effect of any Tax Relief does not exceed the Liability for Tax.
- (e) In determining the tax effect of any Tax Relief for the purpose of **clause 5.1(c)** or **5.1(d)**, the income tax rate is that which applies to the Indemnified Entity or the Head Company, as the case may be (for the purposes of section 4-10 of the Tax Act and determined in accordance with section 23 of the *Income Tax Rates Act 1986* (Cth)), at the time that the Liability for Tax is incurred, suffered or arises or the Tax Relief is utilised or denied, expressed as a decimal.
- (f) The Unit Holder is not liable for a Claim under the Tax Indemnity to the extent that the Claim arises from any:
 - (i) amount derived by Aurizon Network (or the Head Company) as Project Manager under clause **[13]** of the Project Management Agreement;
 - (ii) amount of any "Fee" (as defined in the Rail Corridor Agreement) derived by Aurizon Network (or the Head Company) as Landholder under clause **[5]** of the Rail Corridor Agreement;
 - (iii) amount derived by Aurizon Network (or the Head Company) in its capacity as a Preference Unit Holder in the Trust;

- (iv) Liability for Tax of the Trustee that arises as a result of the Ordinary Unit Holder directing the Trustee under clause [15.5] of the Unit Holders Deed to accumulate income of the Trust;
 - (v) amount derived by the Trustee pursuant to clause [19] of the Trust Deed;
 - (vi) amount derived or expense incurred by Aurizon Network (or the Head Company) in satisfying its obligations to repair or replace the Extension Infrastructure (or part thereof) under clause [4] of the Extension Infrastructure Lease;
 - (vii) Stamp Duty payable on, in relation to, or as a consequence of any acquisition by Aurizon Network of Preference Units in the Trust;
 - (viii) Liability for Tax that arises in respect of any amount by which the proportion of an Access Charge for a fiscal year that is attributable to the operation and maintenance of the Extension exceeds the expenditure incurred by Aurizon Network or the Head Company in relation to the operation and maintenance of the Extension during that fiscal year;
 - (ix) failing to comply with a Tax Law (except where that failure arises as a result of the Indemnified Entity adopting a position after forming the view, acting reasonably, that the position would more likely than not prevail if adjudicated by a court);
 - (x) demand made by an Indemnified Entity after the expiry of 3 months after the expiration of the statutory period within which the relevant Governmental Agency may seek to recover the Tax to which the Claim relates;
 - (xi) "Optimisation Fee" (as defined in the Project Management Agreement) derived by the Trustee pursuant to the Project Management Agreement;
 - (xii) amount equal to "OPRA" (as defined in [schedule 2] of the Extension Infrastructure Lease) derived by Aurizon Network or the Head Company;
 - (xiii) amount of interest derived by an Indemnified Entity or the Head Company pursuant to clause [14.2] of the Rail Corridor Agreement or clause [8.3] of the Extension Infrastructure Lease; or
 - (xiv) charges, Taxes and rates payable by Aurizon Network, as lessee, in accordance with clause [#] of the Extension Infrastructure Lease.
- (g) For the avoidance of doubt, any Tax Relief or other Tax benefit that arises to an Indemnified Entity or the Head Company in respect of the matters set out in **clause 5.1(f)** will not reduce any amount payable by the Unit Holder under the Tax Indemnity.
 - (h) If the Unit Holder has made a payment to an Indemnified Entity under the Tax Indemnity and the Indemnified Entity or the Head Company

receives any payment (whether by way of refund, credit, offset, recoupment, compensation, penalty, damages, restitution, relief or otherwise) in respect of the Extension Structure Tax Cost giving rise to the payment under the Tax Indemnity, then the Indemnified Entity must pay to the Unit Holder within 30 Business Days of receipt of the payment an amount equal to the lesser of:

- (i) the Unit Holder's share of the value of the payment so received and allocated in accordance with **clause 5.6**; and
- (ii) the payment made by the Unit Holder to the Indemnified Entity under the Tax Indemnity to which the payment relates.

5.2 Amendments and dispute

- (a) If an Indemnified Entity becomes aware that the Extension Structure results in, or is likely to result in, an Extension Structure Tax Cost, then the Indemnified Entity must, within a reasonable time (having regard to the nature and complexity of the circumstances resulting in or likely to result in an Extension Structure Tax Cost and the applicable regulatory timeframes governing any dispute of the Extension Structure Tax Cost with the relevant Governmental Agency) of becoming aware, give the Unit Holder notice setting out the amount of the Extension Structure Tax Cost that it has calculated and reasonable particulars in relation to that calculation (including details of any Extension Structure Tax Benefit taken into account in the calculation of the Extension Structure Tax Cost) and the amount allocated to the Unit Holder pursuant to **clause 5.6 (Tax Claim Notice)**. Notwithstanding any other provision in this Agreement, the Unit Holder's sole remedy for any delay by an Indemnified Entity in providing a Tax Claim Notice will be that the Unit Holder will not be liable under the Tax Indemnity to the extent that the delay gives rise to or increases an amount contemplated by **clause 5.1(b)(i)**, net of any corresponding benefit arising from the delay.
- (b) The Unit Holder must notify the Indemnified Entity within 20 Business Days of receipt of a Tax Claim Notice if it:
 - (i) disagrees with the existence or calculation of the Extension Structure Tax Cost or the allocation to the Unit Holder contained in such notice and, if so, what modifications it proposes (**Tax Adjustment Notice**); or
 - (ii) proposes that an Indemnified Entity dispute or procure the dispute of the Extension Structure Tax Cost with the relevant Governmental Agency (**Tax Dispute Notice**). The Unit Holder may only issue a Tax Dispute Notice if it provides reasonable particulars (having regard to the nature and complexity of the circumstances resulting in or likely to result in an Extension Structure Tax Cost) of the action that the Unit Holder proposes be taken in respect of the Extension Structure Tax Cost (**Disputing Action**) and is accompanied by evidence reasonably satisfactory to the Indemnified Entity that Preference Unit Holders holding not

less than 75% of the total number of Preference Units on issue have agreed to the proposed Disputing Action.

- (c) On receipt of a Tax Adjustment Notice or Tax Dispute Notice within the requisite notice period, the Unit Holder and the Indemnified Entity must engage in good faith discussions to reach agreement in respect of:
- (i) in the case of a Tax Adjustment Notice, corrections to the calculation of the Extension Structure Tax Cost and the allocation to the Unit Holder and, if such agreement is reached, the amount of the Extension Structure Tax Cost or the allocation to the Unit Holder will be adjusted accordingly; or
 - (ii) in the case of a Tax Dispute Notice, whether an Indemnified Entity will commence or procure the commencement of a Disputing Action and, if so, the type of Disputing Action.
- (d) If the Indemnified Entity and the Unit Holder cannot, within 20 Business Days after the day on which the Unit Holder gives a Tax Adjustment Notice to the Indemnified Entity, agree on the Extension Structure Tax Cost or the allocation to the Unit Holder, or if either **clause 5.7(b)(i)** or **clause 5.7(b)(ii)** applies in relation to the calculation of the Extension Structure Tax Cost or its allocation among Preference Unit Holders:
- (i) the Extension Structure Tax Cost and the allocation to the Unit Holder is to be determined by a Tax Expert. In so acting, the Tax Expert:
 - (A) must be instructed to review the basis for and the calculation of the Extension Structure Tax Cost and the allocation to the Unit Holder by reference to the Tax Law applicable to the period relevant to the Extension Structure Tax Cost to achieve the aim set out in **clause 5.1(a)** using the principles in **clauses 5.1(c), 5.1(d), 5.1(e)** and **5.6**; and
 - (B) will act as an expert and not as an arbitrator and, in the absence of manifest error, his or her decision will be final and binding on the Parties with the amount of the Extension Structure Tax Cost and the allocation to the Unit Holder being adjusted accordingly; and
 - (ii) to the extent that the Tax Adjustment Notice given under **clause 5.2(b)(i)** gives rise to the reference to the Tax Expert under this **clause 5.2(d)**, as between the Parties, the Unit Holder and each Other Unit Holder that gave a Tax Adjustment Notice in respect of substantially the same matters under a provision of an agreement corresponding to **clause 5.2(b)(i)** of this Agreement will pay the Tax Expert's costs and expenses in respect of any such reference in the proportion which the number of Preference Units held by each of the Unit Holder and each Other Unit Holder that gave such a Tax Adjustment Notice bears to the total number of Preference Units on issue to the Unit Holder and Each Other Unit Holder that gave Tax Adjustment Notices, at that time.

- (e) If the Indemnified Entity and the Unit Holder cannot, within 20 Business Days after the day on which the Unit Holder gives a Tax Dispute Notice to the Indemnified Entity, agree on the matters contemplated by **clause 5.2(c)(ii)**, or if either **clause 5.7(b)(i)** or **clause 5.7(b)(ii)** applies in relation to the taking of any Disputing Action:
- (i) the matter is to be referred to a Tax Expert to determine:
 - (A) whether any such Disputing Action is more likely than not to succeed and, if so, what type of Disputing Action should be taken; and
 - (B) the Tax Expert will act as an expert and not as an arbitrator and, in the absence of manifest error, his or her decision will be final and binding on the Parties; and
 - (ii) to the extent that the Tax Dispute Notice given under **clause 5.2(b)(ii)** gives rise to the reference to the Tax Expert under this **clause 5.2(e)** then, as between the Parties, the Unit Holder and each Other Unit Holder to which a corresponding provision to **clause 5.2(b)(ii)** applies will pay the Tax Expert's costs and expenses in respect of any such reference in the proportion which the number of Preference Units held by each of the Unit Holder and each Other Unit Holder bears to the total number of Preference Units on issue to the Unit Holder and all Other Unit Holders, at that time.
- (f) If the Indemnified Entity and the Unit Holder agree, within 20 Business Days after the day on which the Unit Holder gives the Tax Dispute Notice to the Indemnified Entity, to commence or procure the commencement of a Disputing Action or the Tax Expert determines that any Disputing Action is more likely than not to succeed:
- (i) Aurizon Network must, within two Business Days of the date of the agreement to commence a Disputing Action or the date that the Tax Expert notifies the Parties of the determination in **clause 5.2(e)**, notify the Unit Holder regarding the entity that will take the Disputing Action;
 - (ii) if:
 - (A) more than one Unit Holder that is a party to the Unit Holders Deed has given notice to an Indemnified Entity under a provision of an agreement corresponding to **clause 5.2(b)(ii)** of this Agreement; or
 - (B) an Indemnified Entity is of the opinion, acting reasonably, that the Disputing Action may be relevant to one or more Preference Unit Holders that are parties to the Unit Holders Deed,
- the Indemnified Entity must call a meeting of the Preference Unit Holders for the purpose of nominating one Preference Unit Holder to represent them (**Unit Holder Representative**) for the purposes

of this **clause 5.2(f)**. The Unit Holder agrees that the Unit Holder Representative will be determined by Preference Unit Holders holding not less than 50% of the total number of Preference Units on issue at that time ;

- (iii) the Indemnified Entity will be responsible for conducting the Disputing Action including, subject to the Indemnified Entity complying with **clause 5.2(f)(iv)**, controlling all discussions, correspondence and communications with any Governmental Agency in relation to the Disputing Action;
- (iv) the Indemnified Entity must, in relation to the conduct of the Disputing Action:
 - (A) act in good faith at all times;
 - (B) liaise with the Unit Holder Representative as to any action proposed or not proposed to be taken;
 - (C) follow all reasonable instructions of the Unit Holder Representative. An instruction will not be regarded as reasonable if complying with it would cause material reputational damage to the Indemnified Entity or any Related Body Corporate;
 - (D) make available to the Unit Holder Representative, as soon as possible, but in any event within five Business Days, of receipt by the Indemnified Entity, a copy of the portion of any notice, correspondence or other document relating to the Disputing Action;
 - (E) notify the Unit Holder Representative regarding, and make provision for the Unit Holder Representative to attend all meetings, discussions or conferences with any Governmental Agency; and
 - (F) except if **clause 5.2(f)(iv)(C)** applies, not take any action which it is objectively unreasonable to take in all the circumstances;
- (v) the Unit Holder must, in relation to the conduct of the Disputing Action:
 - (A) bear all costs in relation to the conduct of the Disputing Action; and
 - (B) pay to the relevant Indemnified Entity so much of any Tax as is required by the relevant Governmental Agency to be paid in order to conduct the Disputing Action no later than the day that is five Business Days preceding the due date (or any extended date for payment permitted by the relevant Governmental Agency) specified in any notice issued by the Governmental Agency,

but only to the extent set out in **clause 5.6**; and

- (vi) the Indemnified Entity must not:
 - (A) accept, compromise, pay, agree to arbitrate, settle or admit liability in relation to the Disputing Action; or
 - (B) make any payment in respect of the Disputing Action to a Governmental Agency (except any payment made to a Governmental Agency as contemplated by **clause 5.2(f)(v)(B)**),
without the prior approval of the Unit Holder Representative (such approval not to be unreasonably withheld or delayed).
- (vii) For the avoidance of doubt, the Indemnified Entity has no obligations under **clauses 5.2(f)(iv)(B), (C), (D) or (E)** or **clause 5.2(f)(vi)** if the Preference Unit Holders fail to appoint a Unit Holder Representative under **clause 5.2(f)(ii)**.

5.3 Payment

- (a) The Unit Holder must pay to an Indemnified Entity an amount equal to:
 - (i) **(no adjustment or dispute)** if the Unit Holder does not give a Tax Adjustment Notice or a Tax Dispute Notice to the Indemnified Entity under **clause 5.2(b)** within the requisite period and neither **clause 5.7(b)(i)** or **clause 5.7(b)(ii)** applies, the amount of the Extension Structure Tax Cost allocated to the Unit Holder as specified in the Tax Claim Notice within 25 Business Days after the day the notice was given;
 - (ii) **(adjustment agreed)** if the Parties agree to the amount of the adjusted Extension Structure Tax Cost allocated to the Unit Holder in accordance with **clause 5.2(c)(i)** and **clause 5.2(d)** does not apply, that amount within five Business Days of reaching the agreement referred to in **clause 5.2(c)(i)**;
 - (iii) **(Tax Expert determined Extension Structure Tax Cost)** if **clause 5.2(d)** applies and no Disputing Action is or is to be taken, an amount equal to the adjusted Extension Structure Tax Cost allocated to the Unit Holder referred to in **clause 5.2(d)(i)(B)** within five Business Days of the Tax Expert notifying the Parties of the amount of the adjusted Extension Structure Tax Cost and the amount allocated to the Unit Holder; or
 - (iv) **(Tax Expert determined no Disputing Action)** if no Disputing Action is or is to be taken following a referral to the Tax Expert under **clause 5.2(e)**, an amount equal to the amount of the Extension Structure Tax Cost allocated to the Unit Holder as notified by the Indemnified Entity under **clause 5.2(a)** within five Business Days of the Tax Expert notifying the Parties of his or her decision.
- (b) If a Disputing Action is or is to be taken:

- (i) then subject to **clause 5.2(f)(v)(B)**, any payment that would otherwise be required to be made by the Unit Holder pursuant to **clause 5.3(a)** will be deferred until such time that the Disputing Action is concluded;
- (ii) within a reasonable time following the conclusion of the Disputing Action, the Indemnified Entity must recalculate the Extension Structure Tax Cost and its allocation to the Unit Holder having regard to the outcome of the Disputing Action and provide a copy of the recalculation to the Unit Holder;
- (iii) if the amount of the Extension Structure Tax Cost allocated to the Unit Holder as determined in accordance with **clause 5.3(b)(ii)**:
 - (A) exceeds the amount paid by the Unit Holder pursuant to **clause 5.2(f)(v)(B)** (if any), the Unit Holder must pay to the Indemnified Entity an amount equal to the Extension Structure Tax Cost as determined, but only to the extent set out in **clause 5.6**, less any amount paid by the Unit Holder pursuant to **clause 5.2(f)(v)(B)** and not refunded pursuant to **clause 5.1(h)**, within five Business Days of the determination; or
 - (B) is less than the amount paid by the Unit Holder pursuant to **clause 5.2(f)(v)(B)** (if any) and the Indemnified Entity or the Head Company receives any refund in respect of that amount, the Indemnified Entity must pay an amount equal to the lesser of:
 - (1) the refund so received; and
 - (2) the payment made by the Unit Holder pursuant to **clause 5.2(f)(v)(B)**,
 within five Business Days of receipt of the refund.
- (c) The Unit Holder must pay to the Indemnified Entity any amount under **clause 5.1(b)(ii)** allocated to the Unit Holder under **clause 5.6** or determined by the Tax Expert and any amount under **clause 5.2(f)(v)(A)**, but only to the extent set out in **clause 5.6**, within ten Business Days after notice of the Claim is provided to the Unit Holder.
- (d) The Unit Holder is not required to make a payment to the Indemnified Entity under this **clause 5.3** to the extent that the Indemnified Entity has recovered compensation in relation to the same matter under a Transaction Document (excluding this Agreement).

5.4 No further adjustment to particular Extension Structure Tax Cost

The Parties acknowledge and agree that, subject to **clause 5.1(h)** and **clause 5.3(b)(iii)(A)**, an Extension Structure Tax Cost which has been determined and settled in accordance with **clause 5.3** will be final and:

- (a) the Indemnified Entities are precluded from bringing any further claim under **clause 5.1**, and agree that the Unit Holder will not be liable to make any additional payment, in respect of that particular Extension Structure Tax Cost; and
- (b) the Unit Holder is precluded from bringing any claim against the Indemnified Entities, and agrees that the Indemnified Entities will not be liable to make any payment or refund to the Unit Holder, in respect of that particular Extension Structure Tax Cost.

However, for the avoidance of doubt, nothing in this **clause 5.4** prohibits a Tax Claim Notice in respect of any other Extension Structure Tax Cost.

5.5 Tax effect

If any payment by the Unit Holder to an Indemnified Entity under this Agreement, including **clause 5.3**, would require the Indemnified Entity or the Head Company to pay Tax (for the avoidance of doubt, including any amount calculated under Parts 3-1 to 3-3 of the *Income Tax Assessment Act 1997* (Cth)) as a result of the amount received by the Indemnified Entity, the Unit Holder must pay to the Indemnified Entity, within five Business Days of a demand from the Indemnified Entity, an additional amount calculated as follows:

$$AA = \left[\frac{P}{(1 - T)} \right] - P$$

where:

- AA** = the additional amount to be paid;
- P** = the amount payable by the Unit Holder to the Indemnified Entity disregarding this clause; and
- T** = the income tax rate that would apply to the Indemnified Entity or the Head Company, as the case may be (for the purposes of section 4-10 of the Tax Act and determined in accordance with section 23 of the *Income Tax Rates Act 1986* (Cth)), at the time that the calculation is performed, expressed as a decimal.

5.6 Apportionment

- (a) The amount of any:
 - (i) liability of the Unit Holder under the Tax Indemnity (including any amount referred to in **clauses 5.1(b)(i)**, **5.1(b)(ii)**, **5.2(f)(v)** and **5.3**); or
 - (ii) refund to be provided by the Indemnified Entities to the Unit Holder in accordance with **clause 5.1(h)** or **5.3(b)(iii)(A)**,

will be calculated as follows:

$$A = L \times P/TP$$

where:

A = the amount to be paid by the Unit Holder to an Indemnified Entity or to be refunded by an Indemnified Entity to the Unit Holder as the case may be;

L = the amount payable by or refundable to the Unit Holder disregarding this clause;

P = means the sum of:

(a) the number of Preference Units (if any) held by the Unit Holder; and

(b) the number of Linked Preference Units for the Unit Holder (if any) (excluding any Linked Preference Units for the Unit Holder that are held by an entity that is a "Unit Holder" under an "Umbrella Agreement" (as defined in the Unit Holders Deed)); and

TP = the total number of Preference Units on issue, including, for the avoidance of doubt, the Preference Units held by Aurizon Network (if any).

(b) For the purposes of the formula in **clause 5.6(a)**, the number of units held by a person is to be determined:

(i) for an Extension Structure Tax Cost referred to in **clause 5.1(b)(i)** (including where the subject of a payment under **clause 5.2(f)(v)**), at the time that the Tax Claim Notice is given by the Indemnified Entity under **clause 5.2(a)**;

(ii) for costs and expenses referred to in **clause 5.1(b)(ii)**, at the time that the relevant cost or expense is incurred or payable by an Indemnified Entity or a Related Body Corporate; and

(iii) for a refund in accordance with **clauses 5.1(h)** or **5.3(b)(iii)(A)**, at the time that the refund is to be provided.

5.7 Appointment of Tax Expert

(a) Where **clause 5.7(b)** does not apply, the Tax Expert will be an independent Tax expert that Aurizon Network and the Unit Holder agree or, failing such agreement within 10 Business Days, appointed by the President (or his or her delegate) of the Tax Institute (or its successor).

(b) If:

(i) one or more Preference Unit Holders that are parties to the Unit Holders Deed have given a notice to an Indemnified Entity under a provision of an agreement corresponding to **clause 5.2(b)** of this Agreement and the matter that is the subject of that notice is to be referred to a Tax Expert under a provision of that agreement corresponding to **clause 5.2(d)** or **clause 5.2(e)** of this Agreement; or

- (ii) an Indemnified Entity is of the opinion, acting reasonably, that a matter that is to be referred to a Tax Expert under:
 - (A) **clause 5.2(d)** or **clause 5.2(e)** of this Agreement may be relevant to one or more Preference Unit Holders that are parties to the Unit Holders Deed; or
 - (B) a provision of an agreement corresponding to **clause 5.2(d)** or **clause 5.2(e)** of this Agreement may be relevant to the Unit Holder under this Agreement,

then Aurizon Network may by notice to the Preference Unit Holders nominate two independent Tax experts to determine the matters in dispute under this Agreement and any agreement including a clause corresponding to **clause 5.2(d)** or **clause 5.2(e)** of this Agreement. Each Preference Unit Holder must promptly advise Aurizon Network which of the nominees it approves to be the Tax Expert. The Tax Expert will be the person that is approved by the most Preference Unit Holders based on the number of Preference Units on issue at that time.

- (c) The amount of any costs of the Tax Expert will be allocated pro rata among all Preference Unit Holders to whom the proviso in **clauses 5.2(d)(ii)** or **clause 5.2(e)(ii)** (or a provision of an agreement corresponding to those provisions) does not apply.

5.8 Deduction under Unit Holders Deed

If any Tax Indemnity Amount is not paid by the due date for payment under this **clause 5 (Unpaid Amount)**, then:

- (a) Aurizon Network may notify the Trustee of the non-payment of the Unpaid Amount;
- (b) the Trustee must exercise its rights under the Unit Holders Deed to deduct the Unpaid Amount from any amounts which are due and payable to the Unit Holder and any Linked Unit Holder under the Unit Holders Deed; and
- (c) the Trustee must pay any amount deducted to the relevant Indemnified Entity promptly after the date the amount is deducted.

6 Regulatory Asset Base

6.1 Inclusion into Regulatory Asset Base

Aurizon Network must seek to include:

- (a) the Trust Capital Costs (**Capital Costs**);
- (b) the Aurizon Network Land Acquisition Costs (also **Capital Costs**); and
- (c) the Construction Interest on the Capital Costs,

into the Regulatory Asset Base as soon as reasonably practicable under the Access Undertaking.

6.2 Calculation of Construction Interest

The Construction Interest on the Capital Costs is the amount calculated in accordance with the following formula:

$$CI = \left[\sum_{x=1}^t CC_x \times (1 + R_{mth})^{t-x+1} \right] - CC$$

where:

CI	=	The Construction Interest on the Capital Costs
CC	=	The total Capital Costs incurred by the Trustee and Aurizon Network
CC _x	=	The part of the Capital Costs incurred by the Trustee and Aurizon Network in Month x
R	=	The annual interest rate (expressed as a decimal) that the Access Regulator uses to capitalise interest on costs included in the Regulatory Asset Base for the Extension
R _{mth}	=	(1+R) ^{1/12} – 1
t	=	The number of months from the date of the first CC _x amount is incurred by the Trustee or Aurizon Network to the date the Capital Costs are included in the Regulatory Asset Base
x	=	Each month after the first CC _x is incurred (x = 1 in the first month after the first CC _x amount is incurred by the Trustee or Aurizon Network)

7 Termination

7.1 No rights of termination

Despite any rule of law or equity to the contrary, no Party may terminate, rescind or treat as repudiated, or obtain any order with the effect of terminating or rescinding, this Agreement.

7.2 No prejudice as to right to damages

Subject to **clause 9**, nothing in this **clause 7** prejudices in any way a Party's right to Claim and recover damages for any breach of this Agreement by the another Party.

8 Disputes

8.1 Notification of Disputes

- (a) If any Claim, dispute or question (except any Claim, dispute or question in relation to any Extension Structure Tax Cost, which must be dealt with

solely under **clause 5.2) (Dispute)** arises between the Parties under this Agreement, any Party may give to each other Party a notice in writing (**Dispute Notice**) specifying the Dispute and referring it for resolution in accordance with this **clause 8**.

- (b) Unless otherwise expressly provided to the contrary in this Agreement, a Dispute must be resolved in accordance with this **clause 8**.

8.2 Chief executive officer resolution

- (a) Within ten Business Days after the giving of a Dispute Notice any Dispute must be referred in the first instance to the chief executive officer of Aurizon Network (or his or her nominee), the chief executive officer of the Unit Holder (or his or her nominee) and the chief executive officer of the Trustee (or his or her nominee) for the purposes of this **clause 8.2** for resolution.
- (b) If the Dispute is not resolved within ten Business Days after the referral under **clause 8.2(a)** or in the event that any chief executive officer appoints a nominee that is unacceptable to another Party, then the relevant Dispute:
 - (i) must, where this Agreement expressly requires referral to an expert; and
 - (ii) may, by agreement of the Parties in any other case, be referred for resolution by an expert (**Expert**) in accordance with **clause 8.3**.

8.3 Expert determination

Where any matter is referred to an Expert pursuant to **clause 8.2** or otherwise in accordance with the terms of this Agreement then the following provisions of this **clause 8.3** will apply:

- (a) an Expert must be appointed by agreement between the Parties, or in default of such appointment within ten Business Days of the requirement or right (as applicable) to refer the matter to an Expert, then that person is to be nominated at any Party's request by:
 - (i) where the Parties agree the Dispute is purely of a technical nature, the President (for the time being) of Engineers Australia – Queensland Division;
 - (ii) where the Parties agree the Dispute is purely of a financial or accounting nature, the President (for the time being) of The Institute of Chartered Accountants in Australia – Queensland Branch; and
 - (iii) in any other case, the President (for the time being) of the Queensland Law Society, Inc;
- (b) if the Expert is to be nominated by a person referred to in **clause 8.3(a)** and that person declines to nominate a person as the Expert but provides a list of people that could be appointed as the Expert:

- (i) the first person specified in that list will be taken to be nominated as the Expert;
 - (ii) if the first person specified in that list does not accept the appointment as the Expert, the next person specified in that list will be taken to be the first person specified in that list and will be nominated as the Expert; and
 - (iii) the process specified in **clause 8.3(b)(ii)** will apply to the next and each subsequent person specified in that list until a person that is taken to be nominated as the Expert accepts the appointment as the Expert;
- (c) subject to **clause 8.3(b)**, if the Expert is to be nominated by a person referred to in **clause 8.3(a)** and the person nominated as the Expert does not accept the appointment as the Expert, then an alternative person is to be nominated as the Expert at either Party's request by the same person referred to in **clause 8.3(a)**;
- (d) if the Expert is to be nominated by a person referred to in **clause 8.3(a)** the Parties must comply with, and do all things necessary to satisfy and to give effect to, the reasonable requirements of that person (including providing relevant indemnities and paying any charges or fees (which charges or fees will be borne equally by the Parties)) that must be satisfied or complied with as a condition of that person agreeing to nominate an Expert;
- (e) the Parties must comply with, and do all things necessary to satisfy and to give effect to, the reasonable requirements of an agreed or nominated Expert (including providing relevant indemnities and paying any charges or fees (which charges or fees will be borne equally by the Parties)) that must be satisfied or complied with as a condition of that person accepting the appointment as an Expert;
- (f) the Expert must:
 - (i) have appropriate qualifications and practical experience having regard to the nature of the Dispute;
 - (ii) have no interest or duty which conflicts or may conflict with his or her function as Expert, he or she being required to fully disclose any such interest or duty by notice to the Parties before his or her appointment;
 - (iii) not be, or have been in the last five years, an employee of the Trustee, Aurizon Network or a Preference Unit Holder or a Related Body Corporate of the Trustee, Aurizon Network or a Preference Unit Holder;
 - (iv) not be permitted to act until he or she has given notice to the Parties that he or she is willing and able to accept the appointment;

- (v) have regard to the provisions of this Agreement and consider all submissions (including oral submissions by a Party provided that such oral submissions are made in the presence of the other Parties), supporting documentation, information and data with respect to the matter submitted by the Parties;
 - (vi) provide all Parties with a copy of his or her determination in the form of a report setting out reasonable details of the reasons for the Expert's determination within a reasonable time after his or her appointment;
 - (vii) be required to undertake to keep confidential all matters coming to his or her knowledge by reason of his or her appointment and performance of his or her duties (including, if required by a Party, by entering into a confidentiality agreement in favour of the Parties); and
 - (viii) be deemed to be and act as an expert and not an arbitrator and the law relating to arbitration (including, without limitation, the *Commercial Arbitration Act 1990* (Qld)), will not apply to him or her or the determination or the procedures by which he or she may reach a determination; and
- (g) if the determination of a matter referred to the Expert would require the Expert to be provided with any Price Sensitive Information by Aurizon Network, the Expert must enter into a confidentiality agreement in favour of Aurizon Network requiring the Expert to keep the Price Sensitive Information confidential.

8.4 Parties to assist Expert

The Parties must do everything reasonably requested by the Expert to assist the Expert in determining the Dispute including producing information and materials requested by the Expert and attending any hearing convened by the Expert.

8.5 Decision of Expert

In the absence of manifest error, the decision of the Expert is final and binding upon the Parties.

8.6 Costs

- (a) The costs of the Expert and any advisers engaged by the Expert will be borne equally by the Parties to the Dispute.
- (b) Each Party to the Dispute will bear its own legal costs and the costs of any advisers to it in respect of the Dispute Resolution Process under this **clause 8**.

8.7 Determination by court

- (a) If any Dispute is not otherwise resolved in accordance with this **clause 8**, then the Dispute may be referred to one of the courts of the State having jurisdiction, and sitting in Brisbane.

- (b) Each Party irrevocably and unconditionally:
 - (i) agrees that the courts of the State, and any courts which have jurisdiction to hear appeals from any of those courts, are to have exclusive jurisdiction to settle disputes which may arise out of or in connection with this Agreement and that accordingly any suit, action or proceeding (**Proceedings**) arising out of or in connection with this Agreement may be brought in, and only in, such courts;
 - (ii) waives any objection which it may have now or hereafter to the laying of the venue of any Proceedings in such courts and any Claim that any such Proceedings have been brought in an inconvenient forum; and
 - (iii) agrees that a final judgment in any Proceedings brought in such courts will be final and binding upon such Party and may be enforced in the courts of any other jurisdiction.

8.8 Injunctive relief

Nothing in this Agreement will prevent a Party from seeking urgent injunctive relief from a court.

8.9 Disputes involving Unit Holders under Umbrella Agreements

If:

- (a) a Dispute which arises under this Agreement, or the outcome or consequences of that Dispute, may be relevant to the Trustee, Aurizon Network and/or an Other Unit Holder under an Other Umbrella Agreement; or
- (b) a “Dispute” (as defined under an Other Umbrella Agreement) which arises under the Other Umbrella Agreement, or the outcome or consequences of that Dispute, may be relevant to the Trustee, Aurizon Network and/or the Unit Holder under this Agreement,

then:

- (c) as applicable:
 - (i) Aurizon Network, the Trustee and/or the Unit Holder may join all (for the avoidance of doubt, not only some) of the Other Unit Holders to the dispute resolution process under this Agreement; or
 - (ii) Aurizon Network and/or the Trustee may join the Unit Holder and all (for the avoidance of doubt, not only some) of the Other Unit Holders to the dispute resolution process under the Other Umbrella Agreement; and
- (d) Aurizon Network, the Trustee, the Unit Holder and each Other Unit Holder joined to participate in the dispute resolution process under this Agreement or an Other Umbrella Agreement (as applicable) will be bound by the outcome of the resolution of the Dispute irrespective of whether or not Aurizon Network, the Trustee, the Unit Holder or the

Other Unit Holders (as applicable) choose to actively participate in the dispute resolution process.

8.10 Time bar

If a Party does not give a Dispute Notice under **clause 8.1(a)** in respect of a Dispute within 12 Months after the date it becomes aware or ought reasonably to have become aware of the occurrence of the event or circumstance giving rise to the Dispute:

- (a) the Party must not give the other Parties such a Dispute Notice;
- (b) any such Dispute Notice which is given by the Party will be taken to be of no effect; and
- (c) the Party will not have, and must not make, any Claim against the other Parties in respect of the Dispute.

9 Limitation of liability

9.1 Limitation of Aurizon Network's liability under this Agreement

Except:

- (a) as otherwise expressly provided in this Agreement; or
- (b) to the extent:
 - (i) that Aurizon Network has committed fraud in connection with this Agreement or Gross Negligence or Wilful Default; or
 - (ii) otherwise prohibited by law,

Aurizon Network's liability to each of the Unit Holder and Trustee in respect of a Claim arising out of, or in any way related to, this Agreement is limited to, and will in no event exceed, the total amount of \$1.00.

9.2 Limitation of Aurizon Network's liability to Unit Holder under another Transaction Document

Except as otherwise expressly provided in another Transaction Document, Aurizon Network's liability to the Unit Holder in respect of a Claim arising out of, or in any way related to, that other Transaction Document is limited to, and will in no event exceed, the total amount of \$1.00.

9.3 No liability in relation to capacity

Aurizon Network will not have any liability to the Trustee or the Unit Holder in respect of any Claim arising out of, or in any way related to, the level of capacity created by the Extension except for any liability Aurizon Network may have under the Access Undertaking or an Access Agreement.

9.4 Exclusion of Consequential Loss under this Agreement

- (a) Subject to **clause 9.4(b)**, a Party will not be liable to another Party for, and any indemnity given by a Party does not extend to, any

Consequential Loss suffered by or Claimed against another Party arising out of, or in any way related to, this Agreement.

- (b) **Clause 9.4(a)** does not apply to the indemnity given by the Unit Holder under **clauses 5** and **15.4** of this Agreement.

9.5 Exclusion of Consequential Loss under another Transaction Document

- (a) Subject to **clause 9.5(b)**, Aurizon Network will not be liable to the Unit Holder for, and any indemnity given by Aurizon Network to the Unit Holder does not extend to, any Consequential Loss suffered by or claimed against the Unit Holder arising out of, or in any way related to, another Transaction Document.
- (b) **Clause 9.5(a)** does not apply to the extent:
 - (i) expressly provided otherwise in another Transaction Document; or
 - (ii) that a Transaction Document expressly provides that Aurizon Network is liable to pay an amount to the Unit Holder.
- (c) For the avoidance of doubt, Aurizon Network will not be liable to any Party (including for any Consequential Loss) for any matter of whatever nature concerning or in relation to the Unit Holder's obligation to supply product from a mine to any third party or to make product available to transport.

9.6 Trustee's limitation of liability

- (a) Aurizon Network and the Unit Holder acknowledges that the Trustee enters into this Agreement only as trustee of the Trust, and in no other capacity (other than in respect of the warranties in relation to trustee capacity in **clause 14.2** which are given by the Trustee in its personal capacity).
- (b) A liability of the Trustee arising under, or in connection with, this Agreement is limited to and can be enforced against the Trustee only to the extent to which the Trustee is entitled to be indemnified out of the Trust for the liability and the liability can be satisfied out of property of the Trust.
- (c) The limitation of liability in this **clause 9.6** will not apply to any liability of the Trustee to the extent that the liability is not satisfied out of the property of the Trust because there is a reduction in the Trustee's right of indemnity as a result of the Trustee committing fraud, "Gross Negligence" or "Wilful Default" (each a defined in the Trust Deed).

9.7 Scope of Claim, liability or loss

For the avoidance of doubt:

- (a) references in this **clause 9** to a Claim, liability or loss include:
 - (i) a Claim for, or liability or loss arising from, breach of contract, tort (including negligence), breach of equitable duty, breach of

statutory duty, breach of the *Competition and Consumer Act 2010* (Cth) or otherwise; and

- (ii) a Claim, liability or loss arising out of the performance or non-performance of any obligation under a Transaction Document, or arising out of a termination of a Transaction Document for any reason (including breach, repudiation or otherwise).

9.8 Claims against Aurizon Network

The Trustee and the Unit Holder will not have, and must not make, any Claim against Aurizon Network in relation to, or arising out of, the entry into or the performance or non-performance of this Agreement, or give a Dispute Notice to Aurizon Network in respect of such a Claim under **clause 8.1**, unless:

- (a) the Trustee or the Unit Holder (as applicable) first provides Aurizon Network with a notice of the purported Claim and allows Aurizon Network a reasonable period to rectify the relevant default; and
- (b) Aurizon Network fails to rectify that default within that reasonable period.

10 Confidentiality

10.1 Confidentiality obligations

A Party (**Recipient**):

- (a) may use Confidential Information of a Party (**Disclosing Party**) only for the purposes of this Agreement or another Transaction Document; and
- (b) must keep confidential all Confidential Information of a Disclosing Party except for disclosures permitted under **clause 10.2**.

10.2 Disclosure of Confidential Information

A Recipient may disclose Confidential Information of a Disclosing Party:

- (a) to any person, where the Disclosing Party has consented in writing to such disclosure (such consent not to be unreasonably withheld or delayed, and may be given subject to reasonable conditions, such as the signing of an appropriate confidentiality undertaking);
- (b) to the extent necessary to progress negotiations with any other person relevant to matters contemplated in this Agreement who executes a confidentiality undertaking in favour of the Disclosing Party on terms reasonably acceptable to it;
- (c) to the extent necessary to effect the administration or enforcement of this Agreement, or further negotiations pursuant to this Agreement, by employees, professional advisers (including legal advisers) and consultants of the Recipient;
- (d) to any Related Body Corporate of the Recipient to the extent necessary for reporting purposes within a relevant group of companies, governance and oversight of the relevant group of companies and obtaining any

 - (g) to legal, accounting and financial or other advisers or consultants to the Recipient or a Related Body Corporate of it:
 - (i) whose duties in relation to the Recipient or the Related Body Corporate require the disclosure;
 - (ii) who are under a duty of confidentiality to the Recipient; and
 - (iii) who have been advised of the confidential nature of the Confidential Information;
 - (h) to any officers or employees of the Recipient or a Related Body Corporate of the Recipient who:
 - (i) have a need to know for the purposes of this Agreement or another Transaction Document (and only to the extent that each has a need to know); and
 - (ii) before disclosure, have been directed by the Recipient to keep confidential all Confidential Information of the Disclosing Party;
 - (i) if, and to the extent, the Recipient is required to do so by law (other than by section 275 of the *Personal Property Securities Act 2009* (Cth)) or by any rules or regulations of a recognised stock exchange (including where the disclosure is to a Related Body Corporate of the Recipient that is responsible for making such disclosures for the relevant group of companies and for the purpose of such a Related Body Corporate determining whether, and the extent to which, such a disclosure is required to be made);
 - (j) to any Governmental Agency to the extent required by law or where such disclosure is determined by the Trustee to be reasonably required for the administration of the Trust;
 - (k) if disclosure is lawfully required by the Access Regulator, or in accordance with the Access Undertaking;
 - (l) to an Expert under this Agreement, an "Expert" (as defined under an Other Umbrella Agreement) under an Other Umbrella Agreement; and
 - (m) to another Party to the extent:

- (i) expressly provided in this Agreement; or
- (ii) reasonably required for the purposes of this Agreement or another Transaction Document.

10.3 Conditions of disclosure

If a Recipient discloses Confidential Information of a Disclosing Party to a person under **clause 10.2 (Disclosee)**, the Recipient must:

- (a) ensure that the Disclosee is aware that the Confidential Information is confidential information of the Disclosing Party; and
- (b) use reasonable endeavours to ensure that the Disclosee does not improperly disclose or improperly use the Confidential Information.

11 GST

11.1 Construction

In this **clause 11**:

- (a) words and expressions which are not defined in this Agreement but which have a defined meaning in GST Law have the same meaning as in the GST Law; and
- (b) references to GST payable and input tax credit entitlement include GST payable by, and the input tax credit entitlement of, the representative member for a GST group of which the entity is a member and the GST joint venture operator of any GST joint venture of which the entity is a participant.

11.2 Consideration GST exclusive

Unless otherwise expressly stated, all prices or other sums payable or consideration to be provided under this Agreement are exclusive of GST.

11.3 Payment of GST

If GST is payable on any supply made by a party (or any entity through which that Party acts) (**Supplier**) under or in connection with this Agreement, the recipient will pay to the Supplier an amount equal to the GST payable on the supply.

11.4 Timing of GST payment

The recipient will pay the amount referred to in **clause 11.3** in addition to, and at the same time that, the consideration for the supply is to be provided under this Agreement.

11.5 Tax invoice

The Supplier must deliver a tax invoice or an adjustment note to the recipient before the Supplier is entitled to payment of an amount under **clause 11.3**. The recipient can withhold payment of the amount until the Supplier provides a tax invoice or an adjustment note, as appropriate.

11.6 Adjustment event

If an adjustment event arises in respect of a taxable supply made by a Supplier under this Agreement, the amount payable by the recipient under **clause 11.3** will be recalculated to reflect the adjustment event and a payment will be made by the recipient to the Supplier, or by the Supplier to the recipient, as the case requires.

11.7 Reimbursements

Where a Party is required under this Agreement to pay or reimburse an expense or outgoing of another Party, the amount to be paid or reimbursed by the first Party will be the sum of:

- (a) the amount of the expense or outgoing less any input tax credits in respect of the expense or outgoing to which the other Party is entitled; and
- (b) if the payment or reimbursement is subject to GST, an amount equal to that GST.

12 Assignment

12.1 Assignment

Subject to **clauses 12.2 to 12.7**, a Party must not assign, transfer, mortgage, charge, make the subject of a trust or otherwise deal with or encumber all or any of its rights or liabilities under this Agreement (or procure or permit any of those things) without the prior consent of the other Parties.

12.2 Assignment by Unit Holder during Construction Period

- (a) During the Construction Period, if the Unit Holder proposes to transfer all of the Unit Holder's Preference Units to a proposed transferee, the Unit Holder must also transfer all of the Unit Holder's rights and obligations under this Agreement to the proposed transferee with effect upon the proposed transferee becoming the registered holder of the Preference Units.
- (b) The Parties and the proposed transferee must execute a deed of assignment and assumption or a deed of novation in a form acceptable to Aurizon Network (acting reasonably) to give effect to the transfer of the rights and liabilities of the Unit Holder under **clause 12.2(a)**.
- (c) During the Construction Period, if the Unit Holder proposes to transfer a portion of the Unit Holder's Preference Units to a proposed transferee, the Unit Holder must procure the proposed transferee to enter into an agreement with Aurizon Network and the Trustee (**Transferee Umbrella Agreement**) which:
 - (i) is on the same terms and conditions as this Agreement except that the Nominated Access Rights for each Access Period to be specified in part 1 of schedule 2 of the Transferee Umbrella Agreement will be the proportion (rounded to the nearest even

number of one-way train services, as determined by Aurizon Network, acting reasonably) of the Nominated Access Rights for each Access Period specified in **part 1 of schedule 2** of this Agreement (immediately prior to such transfer of Preference Units) which the number of Preference Units which are to be transferred to the proposed transferee bear to the total number of the Unit Holder's Preference Units immediately prior to such transfer of Preference Units; and

- (ii) unconditionally takes effect upon the proposed transferee becoming the registered holder of the transferred Preference Units.
- (d) If, during the Construction Period, the Unit Holder transfers a proportion of the Unit Holder's Preference Units to a proposed transferee in accordance with **clause 12.2(c)**, the Nominated Access Rights for each Access Period specified in **part 1 of schedule 2** of this Agreement will be taken to be varied (reduced), with effect upon the proposed transferee becoming the registered holder of the Preference Units, to be the proportion (rounded to the nearest even number of one-way train services, as determined by Aurizon Network, acting reasonably) of the Nominated Access Rights for each Access Period specified in **part 1 of schedule 2** of this Agreement (immediately prior to such transfer of Preference Units) which the number of Preference Units which are not to be transferred to the proposed transferee bears to the total number of the Unit Holder's Preference Units immediately prior to such transfer of Preference Units.
- (e) For the avoidance of doubt, this **clause 12.2** applies to a transfer of the Unit Holder's Preference Units under the option granted by it under clause **[8.6]** of the Unit Holders Deed.

12.3 Sale of Preference Units during Construction Period

If, during the Construction Period, the Trustee exercises its rights to sell or transfer all or a portion of the Unit Holder's Preference Units under the Trust Deed or the Unit Holders Deed, then **clause 12.2** will apply to the sale of such Preference Units as if the sale or transfer of the Preference Units by the Trustee was a transfer of such Preference Units by the Unit Holder.
