User Funding – Extension Infrastructure Sub-Lease *[insert Extension name]*

Drafting note: *The parties will consider on a transaction-by-transaction basis whether changes to this Agreement are required for the purposes of the Personal Property and Securities Act 2009 (Cth).*

Drafting note: *If the SUFA transaction will involve the construction of infrastructure which will form part of:*

- (a) *the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network), then an Extension Infrastructure Head-Lease and Integrated Network Deed will be entered into with Queensland Treasury Holdings Pty Ltd (the infrastructure lessor in respect of the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network)); or*
- (b) *either of the two sections of the North Coast Line in respect of which Aurizon is railway manager, then an Extension Infrastructure Head-Lease and Integrated Network Deed will be entered into with Queensland Rail Limited (the infrastructure lessor in respect of those sections of the North Coast Line).*

This template Extension Infrastructure Sub-Lease has been drafted on the basis that the infrastructure will form part of the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network) and will need to be amended if that is not the case.

Despite any Aurizon Additional Infrastructure being constructed, incorporated or installed in or attached to the Leased Extension Infrastructure or the Extension Land:

- (a) Aurizon Additional Infrastructure does not form part of the Leased Extension Infrastructure; and
- (b) as between the Trustee and Aurizon, title to Aurizon Additional Infrastructure remains with Aurizon.

4.11 Removed Infrastructure

- (a) Removed Infrastructure will cease being part of the Leased Extension Infrastructure from the time it is permanently removed from the Leased Extension Infrastructure or the Extension Land.
- (b) The Trustee must transfer title to Removed Infrastructure to Aurizon or its nominee for nil consideration and free from all Security Interests (other than Permitted Liens) except in the case of any Removed Infrastructure which is:
 - (i) removed by or for Aurizon and not replaced;
 - (ii) removed by Aurizon for the Trustee in the performance of its obligations under **clause 6.1**.

4.12 Insurance

- (a) Aurizon must effect and maintain insurance policies and/or adopt internal 'self-insurance strategies' in respect of:
 - (i) the replacement and reinstatement of the Leased Extension Infrastructure;
 - (ii) public liability risks in connection with the Extension Land and the Leased Extension Infrastructure;
 - (iii) Aurizon's liabilities under this Agreement in respect of the Leased Extension Infrastructure in respect of items of an insurable nature,
which provide a level of cover that is not materially lower than the level of cover provided under the insurance policies and/or internal 'self-insurance strategies' that Aurizon would effect, maintain and/or adopt to the extent required in accordance with Good Operating Practice in respect of:
 - (iv) the replacement and reinstatement of "Infrastructure" (as defined in the State Infrastructure Lease); and
 - (v) public liability risks in connection with "Infrastructure" (as defined in the State Infrastructure Lease).

- (b) Each of the policies of insurance effected in accordance with this Agreement must, to the extent permitted by law:
- (i) ensure that the Trustee is noted (or dealt with in such other manner as may be equivalent to noting) on each policy as an insured party;
 - (ii) ensure where legally possible, that each policy providers that all insuring agreements and endorsements shall operate in the same manner as if there were a separate policy of insurance covering each insured party; and
 - (iii) ensure, where legally possible, that each policy provides that the insurer waives all rights, remedies or relief which it might become entitled to by subrogation against any insured parties, and that failure by any insured party to observe and fulfil the terms of the policy shall not prejudice the insurance in respect of any other insured party.
- (c) Aurizon must:
- (i) upon request by the Trustee (not more than once every 12 months) produce to the Trustee certificates of currency of policies taken out pursuant to this **clause 4.12** within 20 Business Days of request;
 - (ii) otherwise provide evidence to the Trustee acting reasonably of the capacity of Aurizon to "self-insure" in accordance with this **clause 4.12**;
 - (iii) at all times comply with the terms and conditions of all insurance policies effected pursuant to this **clause 4.12**;
 - (iv) notify the Trustee as soon as practicable after the occurrence of any claim under any insurance policy required by this Agreement providing reasonable details of such claim where such claim may materially adversely affect the interest of the Trustee;
 - (v) in respect of any claims by it or any other insured for which it is responsible, pay and bear all expenses/deductibles provided for in any insurances effected under this **clause 4.12**.
- (d) Aurizon must promptly inform the Trustee if QTH has notified Aurizon that QTH under the State Infrastructure Lease or the Extension Infrastructure Head-Lease is not satisfied that Aurizon has sufficient financial capacity and internal "self-insurance" strategies to "self-insure" in accordance with the State Infrastructure Lease or the Extension Infrastructure Head-Lease (as the case may be).
- (e) If:
- (i) the Trustee considers that Aurizon has failed to maintain a policy of insurance required under this **clause 4.12**; and
 - (ii) under the State Infrastructure Lease or the Extension Infrastructure Head-Lease, Aurizon is obliged to effect and maintain an equivalent policy of insurance because it was unable to satisfy QTH under the State Infrastructure Lease or the Extension Infrastructure Head-Lease that it has sufficient financial capacity and internal "self-insurance" strategies to "self-insure",
- then:
- (iii) the Trustee may give Aurizon a Dispute Notice under the Dispute Resolution Process in respect of that Dispute;
 - (iv) if the Dispute referred to in **clause 4.12(e)(iii)** is not resolved in accordance with the CEO Process, then the Dispute must be referred to an Expert to determine in accordance with the Expert Process whether or not Aurizon has

failed to maintain the relevant policy of insurance required under this **clause 4.12** and whether or not **clause 4.12(e)(ii)** applies; and

- (v) if it is agreed or determined in accordance with the Dispute Resolution Process that Aurizon has failed to maintain the relevant policy of insurance required under this **clause 4.12** and **clause 4.12(e)(ii)** applies, then the Trustee may effect and maintain the relevant policy of insurance required under this **clause 4.12** and pay the premiums in that respect and recover any amounts so paid as a debt due from Aurizon
- (vi) if the Trustee seeks to effect and maintain any policy of insurance under **clause 4.12(e)(v)**, then:
 - (A) the Trustee must, in seeking to effect and maintain such policy of insurance:
 - (1) act prudently;
 - (2) consult with Aurizon Network on a reasonable basis; and
 - (3) consult with Aurizon Network and other lessors or sub-lessors of railway infrastructure to Aurizon Network, as notified by Aurizon Network, in respect of similar insurance requirements that they may have; and
 - (B) the Trustee must not effect and maintain such policy of insurance upon notification by Aurizon Network that Aurizon Network has effected and maintained the relevant policy of insurance required under this **clause 4.12**.

4.13 PPSA

If the Trustee determines that the lease of the Leased Extension Infrastructure in accordance with the terms of this Agreement creates a security interest or security interests for the purposes of the PPSA, Aurizon must do all things which the Trustee reasonably requires, including without limitation, obtaining consents, signing and producing documents and supplying information for the purposes of:

- (a) ensuring that any security interest so created is enforceable and otherwise effective under the PPSA;
- (b) enabling the Trustee to apply for any registration or give any notifications in connection with the security interest so that the security interest has the priority required by the Trustee; or
- (c) enabling the Trustee to exercise its rights in connection with the security interest.

5 Total Extension Infrastructure

5.1 Non-discrimination

- (a) Aurizon must not take any action in respect of the Total Extension Infrastructure where such action is for the purpose of reducing the Rent payable by it under this Agreement. Nothing in this **clause 5.1(a)** will prevent Aurizon taking action required in order for Aurizon to comply with Good Operating Practice which would have, as a result, the effect that the Rent payable by it under this Agreement is reduced.
- (b) Nothing in this **clause 5.1** imposes any restriction or limitation on the making of any submissions or representations by Aurizon to the Access Regulator and the content of such submissions or representations.

5.2 Keeping of Records by Aurizon

- (a) Aurizon must keep and maintain reasonable records relating to the operation, management, repair, maintenance, Modification and use and condition of the Total Extension Infrastructure.
- (b) Aurizon must, promptly upon written request by the Trustee from time to time, deliver to the Trustee, in the format Aurizon generally keeps records of that nature, a copy of any record kept and maintained by Aurizon under **clause 5.2(a)**.

5.3 Condition based asset reports

Aurizon must provide the Trustee with a copy of each condition based assessment within 5 Business Days of its provision to the Access Regulator by Aurizon in accordance with the Access Undertaking.

5.4 Lease continues

For the avoidance of doubt, unless this Agreement is earlier terminated in accordance with the terms of this Agreement, this Agreement, including the obligation to pay Rent, will continue for the Term despite there ceasing to be any Total Extension Infrastructure subleased or leased (as applicable) under this Agreement prior to the end of the Term.

5.5 Outgoings

- (a) Despite the Extension Infrastructure Head-Lease:
 - (i) during the Construction Period, the Trustee must pay all charges, taxes and rates which are payable in respect of the Total Extension Infrastructure or services provided for the Total Extension Infrastructure; and
 - (ii) after the end of the Construction Period, Aurizon must pay all charges, taxes and rates which are payable in respect of the Total Extension Infrastructure or services provided for the Total Extension Infrastructure, except for taxes on the revenues or capital gains of the Trustee.
- (b) For the avoidance of doubt, Aurizon is not responsible under this Agreement to pay any charges, taxes and rates which are payable in respect of land.

5.6 Replacement of Total Extension Infrastructure

If Aurizon replaces any part of the Total Extension Infrastructure which is a “depreciating asset” (as defined in the Tax Act) (the **original depreciating asset**) that is “lost or destroyed” (as referred to in item 8 of section 40-300(2) of the Tax Act), the Trustee must choose under section 40-365 of the Tax Act to exclude all of any amount that would otherwise be included in the Trustee’s assessable income as a result of a “balancing adjustment event” (as defined in the Tax Act) occurring because the original depreciating asset is “lost or destroyed” (as referred to in item 8 of section 40-300(2) of the Tax Act).

5.7 Termination of Construction Agreement

If a termination notice referred to in clause [40B] of the Construction Agreement (**Termination Notice**) is given under the Construction Agreement, then within 20 Business Days after the Termination Notice is given, Aurizon may notify the Trustee of particular parts of the Works which have not become Subleased Extension Infrastructure as at the date the Termination Notice is given (**Redundant Extension Infrastructure**).

5.8 Rail Corridor Agreement

The Trustee agrees that it will not, at any time during the Term, exercise its right under [clause 8] of the Rail Corridor Agreement to remove any part of the Total Extension Infrastructure save with the prior consent of Aurizon (which consent must not be unreasonably withheld).

6 Rectification of Defects

6.1 Rectification of Defects by Trustee

- (a) The Trustee must, at its cost, procure the rectification of any Defects promptly after they are recorded (or required to be recorded) in the Defects Register.
- (b) The Trustee has appointed or will appoint Aurizon to perform the Trustee's obligations under this **clause 6.1**.

6.2 Rectification of Defects by Aurizon

- (a) After the end of the Defects Rectification Period, Aurizon must rectify, or procure the rectification of, all Defects other than Defects which are recorded (or required to be recorded) in the Defects Register.
- (b) As between the Trustee and Aurizon, Aurizon will be responsible for the costs of rectifying, or procuring the rectification of, Defects under **clause 6.2(a) (Aurizon Defect Rectification Costs)**.
- (c) The Trustee acknowledges that Aurizon may seek to include Aurizon Defect Rectification Costs in the Regulatory Asset Base as part of the capital cost of the Total Extension Infrastructure.

7 Rent and other payments

7.1 Rent

- (a) Within seven Business Days after the Monthly Invoice Date for the Initial Rent Month and each subsequent Month during the Term, Aurizon must give the Trustee a RCTI (**Monthly Invoice**) specifying the Rent for that Month.
- (b) Within ten Business Days after Aurizon gives the Trustee a Monthly Invoice for a Month, Aurizon must pay the total invoice amount specified in the Monthly Invoice for that Month to the Trustee.

7.2 Supporting information

- (a) Subject to **clause 7.2(b)**, each Monthly Invoice given by Aurizon to the Trustee under **clause 7.1** must be accompanied by details of the calculation of the Rent for the Month specified in the Monthly Invoice.
- (b) Nothing in this Agreement obliges Aurizon to disclose any Customer Confidential Information to the Trustee.

7.3 Interest on overdue payments

- (a) If, for any reason, a Party does not pay an amount payable under this Agreement on or before the due date for payment, it must pay interest to the other Party.
- (b) Interest will accrue on the outstanding amount from the due date for payment until that amount, together with the interest on that amount, has been paid.
- (c) Interest will be calculated at the Interest Rate, and any interest accrued but unpaid at the end of each Month will be capitalised and will thereafter itself bear interest.

7.4 Disputes

- (a) If the Trustee Disputes the amount of the Rent for a Month specified in a Monthly Invoice, the Trustee may give Aurizon a Dispute Notice under the Dispute Resolution Process.

- (b) Upon resolution of a Dispute referred to in **clause 7.4(a)**, if the amount of the Rent payable under the relevant Monthly Invoice as agreed or determined under the Dispute Resolution Process is:
 - (i) more than the amount that was paid by Aurizon under the Monthly Invoice, then within five Business Days after the date of the resolution of the Dispute, Aurizon must:
 - (A) give the Trustee a further RCTI or adjustment note (as applicable) for the amount of the difference, together with interest on that amount calculated in accordance with **clause 7.3** (provided that for the purpose of calculating that interest, the due date for payment is deemed to be the due date for the payment of the Monthly Invoice under **clause 7.1(b)**); and
 - (B) pay the amount referred to in **clause 7.4(b)(i)(A)** to the Trustee; or
 - (ii) less than the amount that was paid by Aurizon under the Monthly Invoice, then:
 - (A) within five Business Days after the date of the resolution of the Dispute, Aurizon must give the Trustee an adjustment note for the amount of the difference, together with interest on that amount calculated in accordance with **clause 7.3** (provided that for the purpose of calculating that interest, the amount of the difference is deemed to be a payment due and payable by the Trustee to Aurizon and the due date for payment is deemed to be date when the amount payable under the Monthly Invoice was paid by Aurizon); and
 - (B) Aurizon may set-off the amount referred to in **clause 7.4(b)(ii)(A)** in accordance with **clause 7.6**.

7.5 Correction of errors

- (a) If, at any time:
 - (i) the Trustee discovers an error in the Monthly Invoice resulting in an underpayment or overpayment, then the Trustee must promptly notify Aurizon of this error; and
 - (ii) Aurizon discovers an error in the Monthly Invoice resulting in an underpayment or overpayment, then Aurizon must promptly notify the Trustee of this error.
- (b) Despite Aurizon's payment of a Monthly Invoice, if, at any time, an error (resulting in an underpayment or overpayment) is discovered and notified to the other Party in accordance with **clause 7.5(a)**, then:
 - (i) if the error results in an underpayment then Aurizon must, within five Business Days after the date the error is verified by Aurizon:
 - (A) give the Trustee a further RCTI or adjustment note (as applicable) for the amount of the underpayment; and
 - (B) pay the amount referred to in **clause 7.5(b)(i)(A)** to the Trustee; or
 - (ii) if the error results in an overpayment:
 - (A) within five Business Days after the date the error is verified by Aurizon, Aurizon may give the Trustee an adjustment note for the amount of the overpayment to Aurizon; and
 - (B) Aurizon may set-off the amount referred to in **clause 7.5(b)(ii)(A)** in accordance with **clause 7.6**.

7.6 Right of set-off

- (a) Aurizon may deduct from any amounts which are due and payable by Aurizon to the Trustee any amounts which are due and payable by the Trustee to Aurizon under this Agreement or any other Transaction Document where those amounts:
- (i) are payable under **clause 8.6**;
 - (ii) have been agreed by the Parties as being due and payable; or
 - (iii) are agreed or determined to be due and payable in accordance with the Dispute Resolution Process or by a validly constituted court or tribunal,
- (Aurizon Set-off Amount)**.
- (b) The Trustee may deduct from any amounts which are due and payable by the Trustee to Aurizon any amounts which are due and payable by Aurizon to the Trustee under this Agreement or any other Transaction Document where those amounts:
- (i) have been agreed by the Parties as being due and payable; or
 - (ii) are agreed or determined to be due and payable in accordance with the Dispute Resolution Process or by a validly constituted court or tribunal.
- (c) If:
- (i) Aurizon wishes to deduct from any Rent for a Month (**relevant Month**) an Aurizon Set-Off Amount which is due and payable by the Trustee to Aurizon as at the DTP Date for the relevant Month under this Agreement (**Monthly Aurizon Set-off Amount**); and
 - (ii) Aurizon is required to give a direction to pay into the Direction to Pay Account to an Extension Access Agreement Customer or a Specified Access Agreement Customer (**Relevant DTP Customer**) for the relevant Month under **clauses 8.1** or **8.2** (as applicable),

then, despite **clauses 8.1** and **8.2**, Aurizon may reduce the amount that it would, but for this **clause 7.6(b)**, otherwise be required to direct the Relevant DTP Customer to pay into the Direction to Pay Account under **clauses 8.1** or **8.2** (as applicable) for the relevant Month by:

- (iii) if the amount which Aurizon would, but for this **clause 7.6(b)**, otherwise be required to direct the relevant DTP Customer to pay into the Direction to Pay Account under **clauses 8.1** or **8.2** (as applicable) for the relevant Month is less than or equal to the Relevant DTP Customer's Share of the Monthly Aurizon Set-off Amount for the relevant Month - the full amount which Aurizon would, but for this **clause 7.6(b)**, otherwise be required to direct the Relevant DTP Customer to pay for the relevant Month; or
- (iv) if the amount which Aurizon would, but for this **clause 7.6(b)**, be required to direct the Relevant DTP Customer to pay into the Direction to Pay Account for the relevant Month under **clauses 8.1** or **8.2** (as applicable) is more than the Relevant DTP Customer's Share of the Monthly Aurizon Set-off Amount for the relevant Month – the Relevant DTP Customer's Share of the Monthly Aurizon Set-off Amount for the relevant Month,

so that, despite **clauses 8.1** and **8.2**, the amount which Aurizon is required to direct the Relevant DTP Customer to pay into the Direction to Pay Account under **clauses 8.1** or **8.2** (as applicable) for the relevant Month is the reduced amount after the deduction under this **clause 7.6(b)**.

- (d) Any amount that is deducted under **clause 7.6(b)** from an amount that Aurizon would, but for **clause 7.6(b)**, otherwise be required to direct an Extension Access Agreement Customer or a Specified Access Agreement Customer to pay into the Direction to Pay Account under **clauses 8.1** or **8.2** (as applicable) for a Month is taken to have been paid by the Trustee to Aurizon on the date that the Extension Access Agreement Customer or Specified Access Agreement Customer (as applicable) pays that amount to Aurizon under **clauses 8.1** or **8.2** (as applicable).
- (e) If the total of the amounts that are deducted under **clause 7.6(b)** from amounts that Aurizon would, but for **clause 7.6(b)**, otherwise be required to direct Extension Access Agreement Customers and Specified Access Agreement Customers to pay into the Direction to Pay Account under **clauses 8.1** and **8.2** for a Month are less than the Monthly Aurizon Set-off Amount as at the DTP Date for the Month, then, for the avoidance of doubt, the amount of the difference continues to be due and payable by the Trustee to Aurizon.
- (f) Any amounts that are deducted under **clause 7.6(b)** from amounts that Aurizon would, but for **clause 7.6(b)**, otherwise be required to direct Extension Access Agreement Customers and Specified Access Agreement Customers to pay into the Direction to Pay Account under **clauses 8.1** and **8.2** for a Month are taken to have been paid, for the purposes of **clause 7.1(b)**, by the Trustee to Aurizon by the due date under **clause 7.1(b)** for payment of the Monthly Invoice for that Month.

7.7 Inclusion of Tax Indemnity Amount in RAB

To the extent that any Preference Unit Holder pays, or is taken under clause 12.4 of the Unit Holders Deed to have paid, any amount under the indemnity in clause 17.1 of the Unit Holders Deed (**Tax Indemnity Amount**), then Aurizon must within six months after the date that the Tax Indemnity Amount is paid, or taken to have been paid, prepare, and lodge with the Access Regulator, a submission which seeks to increase the value in the RAB of each asset comprised in the Total Extension Infrastructure which is included in the RAB (**TEI Asset**), by the amount calculated in accordance with the following formula:

$$\text{Increase} = \text{TEI Asset Value} / \text{Total TEI Asset Value} \times \text{Tax Indemnity Amount}$$

where:

Increase	=	The Increase in the value in the RAB of the relevant TEI Asset
TEI Asset Value	=	The value in the RAB of the relevant TEI Asset
Total TEI Asset Value	=	The value in the RAB of the Total Extension Infrastructure
Tax Indemnity Amount	=	The relevant Tax Indemnity Amount

8 Direction to pay

8.1 Direction to pay – Extension Access Agreement

- (a) Unless **clause 8.1(b)** applies, at the time that Aurizon gives an Extension Access Agreement Customer an Extension Access Agreement Invoice for a Month, Aurizon must, by notice to the Extension Access Agreement Customer (such notice to be copied to the Trustee), direct the Extension Access Agreement Customer to pay by the due date for payment under the Extension Access Agreement:
 - (i) into the Direction to Pay Account – the Direction to Pay Amount for that Extension Access Agreement for that Month; and

- (ii) to Aurizon (in the manner required under the Extension Access Agreement) – the remaining amount of the Access Charges, if any, which are payable under that Extension Access Agreement Invoice for that Month after subtracting the amount referred to in **clause 8.1(a)(i)**.
- (b) If:
- (i) the Direction to Pay Amount for an Extension Access Agreement for a Month is zero; or
 - (ii) the Direction to Pay Amount for an Extension Access Agreement for a Month less the amount that Aurizon is permitted to deduct from a direction to pay given to the Extension Access Agreement Customer for that Extension Access Agreement under **clause 7.6(b)** for that Month is zero,
 - (iii) then, at the time that Aurizon gives the Extension Access Agreement Customer for that Extension Access Agreement an Extension Access Agreement Invoice for that Month, Aurizon must, by notice to that Extension Access Agreement Customer (such notice to be copied to the Trustee), direct that Extension Access Agreement Customer to pay by the due date for payment under that Extension Access Agreement:
 - (iv) into the Direction to Pay Account – zero dollars; and
 - (v) to Aurizon (in the manner required under the Extension Access Agreement) – 100% of the Access Charges which are payable under that Extension Access Agreement Invoice for that Month.
- (c) If, at the time that Aurizon gives an Extension Access Agreement Customer an Extension Access Agreement Invoice for a Month, Aurizon does not give that Extension Access Agreement Customer a direction to pay under **clauses 8.1(a)** or **8.1(b)**, then, despite that Extension Access Agreement Customer not being given a direction to pay under **clauses 8.1(a)** or **8.1(b)**:
- (i) the Direction to Pay Amount for that Extension Access Agreement for that Month will be taken to be 100% of the Access Charges which are payable under that Extension Access Agreement Invoice for that Month; and
 - (ii) that Extension Access Agreement Customer will be taken to have been given a direction to pay the Direction to Pay Amount for that Month into the Direction to Pay Account under **clause 8.1(a)**.

8.2 Direction to pay – Specified Access Agreements

- (a) The Parties acknowledge and agree that this **clause 8.2** is a SUFA EISL DTP Provision.
- (b) The Trustee may procure access agreement customers to give Aurizon a SAA DTP Undertaking in respect of their access agreements.
- (c) The Parties acknowledge and agree that Aurizon will treat a SAA DTP Undertaking as being in force and binding upon the party giving the SAA DTP Undertaking unless and until that party notifies Aurizon that it revokes the SAA DTP Undertaking.
- (d) Subject to **clause 8.2(g)**, if:
 - (i) the sum of the Direction to Pay Amounts for all Extension Access Agreements for a Month is less than the Expected Rent for that Month; and
 - (ii) the amount which is the difference between:
 - (A) the sum of the Direction to Pay Amounts for all Extension Access Agreements for that Month; and

(B) the amount which is the Expected Rent for that Month,
is greater than or equal to the sum of the amount of the Access Charges payable under all Specified Access Agreement Invoices for that Month,

then, at the time that Aurizon gives each Specified Access Agreement Customer its Specified Access Agreement Invoice for that Month, Aurizon must, by notice to each Specified Access Agreement Customer (such notice to be copied to the Trustee), direct each Specified Access Agreement Customer to pay 100% of the Access Charges payable under its Specified Access Agreement Invoice for that Month into the Direction to Pay Account by the due date for payment under its Specified Access Agreement.

(e) Subject to **clause 8.2(g)**, if:

(i) the sum of the Direction to Pay Amounts for all Extension Access Agreements for a Month is less than the Expected Rent for that Month; and

(ii) the amount which is the difference between:

(A) the sum of the Direction to Pay Amounts for all Extension Access Agreements for that Month; and

(B) the amount which is the Expected Rent for that Month,
is less than the sum of the amount of the Access Charges payable under all Specified Access Agreement Invoices for that Month,

then, at the time that Aurizon gives each Specified Access Agreement Customer its Specified Access Agreement Invoice for that Month, Aurizon must, by notice to each Specified Access Agreement Customer (such notice to be copied to the Trustee), direct each Specified Access Agreement Customer to pay by the due date for payment under its Specified Access Agreement:

(iii) into the Direction to Pay Account – the whole of, part of or none (zero dollars) of the amount of the Access Charges which are payable under its Specified Access Agreement Invoice for that Month; and

(iv) to Aurizon (in the manner required under the Specified Access Agreement) – the remaining amount of the Access Charges, if any, which are payable under its Specified Access Agreement Invoice for that Month after subtracting the amount of such Access Charges which the Specified Access Agreement Customer is directed to pay into the Direction to Pay Account under **clause 8.2(e)(iii)**,

so that, in total, Aurizon has directed one or more Specified Access Agreement Customers to pay into the Direction to Pay Account the amount which is the difference between:

(v) the Expected Rent for that Month; and

(vi) the sum of the Direction to Pay Amounts for all Extension Access Agreements for that Month.

(f) If the sum of the Direction to Pay Amounts for all Extension Access Agreements for a Month is equal to or greater than the Expected Rent for that Month, then at the time that Aurizon gives each Specified Access Agreement Customer its Specified Access Agreement Invoice for that Month, Aurizon must, by notice to each Specified Access Agreement Customer (such notice to be copied to the Trustee), direct each Specified Access Agreement Customer to pay by the due date for payment under its Specified Access Agreement:

- (i) into the Direction to Pay Account – zero dollars; and
 - (ii) to Aurizon (in the manner required under the Specified Access Agreement) – 100% of the Access Charges which are payable under its Specified Access Agreement Invoice for that Month.
- (g) If the amount of the Access Charges which are payable under a Specified Access Agreement Invoice for a Month which a Specified Access Agreement Customer would, but for this **clause 8.2(g)**, otherwise be directed to pay into the Direction to Pay Account for that Month under this **clause 8.2** less the amount that Aurizon is permitted to deduct from a direction to pay given to that Specified Access Agreement Customer for its Specified Access Agreement under **clause 7.6(b)** for that Month is zero, then, at the time that Aurizon gives the Specified Access Agreement Customer its Specified Access Agreement Invoice for that Month, Aurizon must, by notice to that Specified Access Agreement Customer (such notice to be copied to the Trustee), direct that Specified Access Agreement Customer to pay by the due date for payment under its Specified Access Agreement:
- (i) into the Direction to Pay Account – zero dollars; and
 - (ii) to Aurizon (in the manner required under the Specified Access Agreement) – 100% of the Access Charges which are payable under the Specified Access Agreement Invoice for that Month.
- (h) If, at the time that Aurizon gives a Specified Access Agreement Customer a Specified Access Agreement Invoice for a Month, Aurizon does not give that Specified Access Agreement Customer a direction to pay under **clauses 8.2(d), 8.2(e), 8.2(f) or 8.2(g)**, then, despite that Specified Access Agreement Customer not being given a direction to pay under **clauses 8.2(d), 8.2(e), 8.2(f) or 8.2(g)**:
- (i) the Direction to Pay Amount for its Specified Access Agreement for that Month will be taken to be 100% of the Access Charges which are payable under the Specified Access Agreement Invoice for that Month; and
 - (ii) the Specified Access Agreement Customer will be taken to have been given a direction to pay the Direction to Pay Amount for that Month into the Direction to Pay Account under **clause 8.2(d)**.

8.3 Nomination of Specified Access Agreements

- (a) Subject to **clause 8.3(b)**, Aurizon may, at any time during the term, give a notice to the Trustee and the Other Relevant Access Agreement Customer for an Other Relevant Access Agreement, notifying them that the Other Relevant Access Agreement is nominated as a Specified Access Agreement with effect on and from the date of such notice.
- (b) Aurizon must not nominate an Other Relevant Access Agreement to be a Specified Access Agreement if the Other Relevant Access Agreement is already nominated by Aurizon or the Access Regulator to be a 'Specified Access Agreement' under another SUFA EISL.
- (c) Without limiting Aurizon's obligation under **clause 8.3(d)**, Aurizon may, at any time during the term, give a notice to the Trustee and the Specified Access Agreement Customer for a Specified Access Agreement, notifying them that the Specified Access Agreement will cease to be nominated as a Specified Access Agreement with effect on and from the date specified in the notice (which date must be at least two months after the date the notice is given).
- (d) If, at any time during the term, the Total DTP Access Charge Amount is less than the Threshold Amount, then Aurizon must, within five Business Days:

- (i) nominate one or more Other Relevant Access Agreements to be Specified Access Agreements so that, at the time that such nomination or nominations take effect, the Total DTP Access Charge Amount will be equal to or greater than the Threshold Amount; or
 - (ii) if Aurizon is not able to comply with **clause 8.3(d)(i)** because there are insufficient Other Relevant Access Agreements which are able to be nominated as Specified Access Agreements, nominate as many Other Relevant Access Agreements to be Specified Access Agreements as Aurizon is able to nominate at that time.
- (e) If at any time during the term, the Trustee considers that Aurizon has not complied with **clause 8.3(d)**, then the Trustee may give a notice to Aurizon requesting that Aurizon comply with **clause 8.3(d)** within five Business Days after the date on which the notice is given to Aurizon.
- (f) If:
- (i) the Trustee gives a notice to Aurizon under **clause 8.3(e)**; and
 - (ii) the Trustee considers that Aurizon has not complied with **clause 8.3(d)** within the five Business Days referred to in **clause 8.3(e)**,
- then the Trustee may give a notice to Aurizon and the Access Regulator requesting that the Access Regulator, subject to **clause 8.3(g)**, nominate one or more Other Relevant Access Agreements to be Specified Access Agreements so that, at the time that such nominations take effect, the Total DTP Access Charge Amount will be equal to or greater than the Threshold Amount.
- (g) If the Access Regulator receives a notice under **clause 8.3(f)**, the Access Regulator may give a notice to Aurizon, the Trustee and the Other Relevant Access Agreement Customer for an Other Relevant Access Agreement, notifying them that the Other Relevant Access Agreement is nominated as a Specified Access Agreements under this **clause 8.3** on and from the date the notice is given, provided that:
- (i) the Access Regulator may only nominate an Other Relevant Access Agreement to be a Specified Access Agreement if Aurizon could have nominated the Other Relevant Access Agreement to be a Specified Access Agreement under this **clause 8.3**;
 - (ii) the Access Regulator must only nominate the Other Relevant Access Agreement, or the combination of Other Relevant Access Agreements, which results, or which together result, in, at the time that such nomination or nominations take effect, the Total DTP Access Charge Amount being:
 - (A) equal to the Threshold Amount; or
 - (B) if **clause 8.3(g)(ii)(A)** is not possible, greater than the Threshold Amount by the smallest possible amount; and
 - (iii) if the Access Regulator is not able to comply with the request under **clause 8.3(f)** because there are insufficient Other Relevant Access Agreements which are able to be nominated as Specified Access Agreements, then the Access Regulator may nominate as many Other Relevant Access Agreements to be Specified Access Agreements as it is able to nominate at that time.
- (h) For the purpose of estimating the Total DTP Access Charge Amount and Threshold Amount for the purpose of this **clause 8.3**, Aurizon and the Access Regulator (as applicable) may make reasonable assumptions about future events provided that

those assumptions, to the extent applicable, are adopted consistently in estimating both the Total DTP Access Charge Amount and the Threshold Amount.

- (i) The nomination, by the Access Regulator, of an Other Relevant Access Agreement to be a Specified Access Agreement as contemplated in this **clause 8.3** will only be effective if the nomination by the Access Regulator was in accordance with the requirements of this **clause 8.3**.
- (j) Aurizon must:
 - (i) seek to include a SAA DTP Provision in each standard form of access agreement which it submits for approval by the Access Regulator after the Commencement Date;
 - (ii) seek to include a SAA EISL DTP Provision in all access agreements entered into after the Commencement Date; and
 - (iii) if a SAA DTP Provision is included in an access agreement entered into after the Commencement Date, not agree with the other parties to the access agreement to remove that provision, or to vary that provision so that it ceases to be a SAA DTP Provision.

8.4 Direction to Pay Account

- (a) Prior to the Initial Rent Month, the Trustee must establish, and maintain during the remainder of the Term, a separate bank account (**Direction to Pay Account**), in the name of the Trustee, for the purpose of receiving payments which Aurizon directs, or is deemed to direct, Extension Access Agreement Customers and Specified Access Agreement Customers to pay under this **clause 8**.
- (b) The Trustee must:
 - (i) not deposit funds into the Direction to Pay Account; and
 - (ii) use reasonable endeavours to ensure that the only funds (excluding interest earned on funds in the Direction to Pay Account) deposited into the Direction to Pay Account are amounts which Aurizon directs Extension Access Agreement Customers and Specified Access Agreement Customers to pay into the Direction to Pay Account under this **clause 8**.
- (c) Promptly after:
 - (i) the due date for payment of a Direction to Pay Amount for a Month for an Extension Access Agreement or Specified Access Agreement (as notified by Aurizon to the Trustee under **clause 8.5**); and
 - (ii) if the Direction to Pay Amount referred to in **clause 8.4(c)(i)** is not paid (in whole or in part) into the Direction to Pay Account by the due date for payment but is subsequently paid (in whole or in part) into the Direction to Pay Account – the date of such late payment,the Trustee must give Aurizon a Notice specifying:
 - (iii) the amount (if any) paid into the Direction to Pay Account by the Extension Access Agreement Customer or Specified Access Agreement Customer for that Extension Access Agreement or Specified Access Agreement; and
 - (iv) if applicable, the date of payment of that amount into the Direction to Pay Account.
- (d) If the amount paid into the Direction to Pay Account during the last Month in which Rent is payable by Aurizon to the Trustee under this Agreement exceeds the Rent for that Month (as specified in the Monthly Invoice for that Month), then, within five

Business Days after the end of that Month, the Trustee must pay to Aurizon the amount by which the amount paid into the Direction to Pay Account during that Month exceeds the Rent for that Month (as specified in the Monthly Invoice for that Month).

8.5 Notice of directions to pay

Promptly after Aurizon gives all of the directions to pay for a Month to Extension Access Agreement Customers and Specified Access Agreement Customers (if applicable) under **clauses 8.1 and 8.2**, Aurizon must give the Trustee a Notice specifying:

- (a) the Total Direction to Pay Amount for the Month;
- (b) each of the Extension Access Agreement Customers and Specified Access Agreement Customers (if applicable) to which Aurizon has given a direction to pay;
- (c) the Direction to Pay Amounts that Aurizon directed such Extension Access Agreement Customer and Specified Access Agreement Customer (if applicable) to pay into the Direction to Pay Account for that Month; and
- (d) the due date for payment of such Direction to Pay Amounts for that Month.

8.6 Application of Total Direction to Pay Amount

- (a) The Total Direction to Pay Amount for a Month will be taken to have been paid by Aurizon to the Trustee by the due date for payment of the Monthly Invoice for that Month for the purpose of **clause 7.1(b)** (regardless of whether or not an Extension Access Agreement Customer or Specified Access Agreement Customer actually paid the applicable Direction to Pay Amount for that Month into the Direction to Pay Account as directed by Aurizon by the due date for payment).
- (b) After the Monthly Invoice Date for a Month, Aurizon must calculate whether there is an Overpayment Amount for that Month.
- (c) If, under **clause 8.6(b)**, Aurizon calculates that there is an Overpayment Amount for a Month, then:
 - (i) Aurizon must give the Trustee a notice specifying reasonable details of the Overpayment Amount for that Month;
 - (ii) the Overpayment Amount for that Month is taken to be due and payable on and from the Monthly Invoice Date for that Month;
 - (iii) interest (calculated at the Interest Rate) will accrue on the unpaid portion of the Overpayment Amount from the Monthly Invoice Date for that Month until the Overpayment Amount for that Month, together with any interest accrued on the Overpayment Amount for that Month, is taken to have been fully paid; and
 - (iii) any interest accrued on the Overpayment Amount for that Month but not taken to have been paid at the end of each Month will be capitalised and added to the Overpayment Amount for that Month and the increased amount will bear interest under **clause 8.6(c)(iii)**.
- (d) The Overpayment Amount for a Month, together with any interest accrued on the Overpayment Amount for that Month under **clause 8.6(c)(iii)**, is only payable by way of a deduction in accordance with **clause 7.6(c)**.

8.7 Rent Shortfall Adjustment Amount

If an Extension Access Agreement Customer or Specified Access Agreement Customer does not pay the whole or part of the Direction to Pay Amount for a Month (**relevant Month**) into the Direction to Pay Account as directed under **clauses 8.1 and 8.2** within three months after the due date for payment of such Direction to Pay Amount (**relevant**

non-payment), then, promptly after the end of that three month period, Aurizon must calculate:

- (a) the Rent Shortfall Adjustment Amount for the relevant non-payment for the relevant Month in accordance with the following formula:

$$RSAA = R_i - (R_o - S)$$

where:

RSAA = The Rent Shortfall Adjustment Amount for the relevant non-payment for the Month

R_i = The Rent for the relevant Month (calculated in accordance with the Rent Calculation Methodology using the same inputs as originally used to calculate the Rent for the relevant Month subject only to the non-payment of "S" (as defined in the formula in this **clause 8.7(a)**) being taken into account for the purpose of such recalculation)

R_o = The Rent for the relevant Month as invoiced in the Monthly Invoice for the relevant Month

S = The amount of the Direction to Pay Amount for the relevant Month which the relevant Extension Access Agreement Customer or Specified Access Agreement Customer (as applicable) did not pay into the Direction to Pay Account within three months after the due date for the payment of such Direction to Pay Amount into the Direction to Pay Account

- (b) the Rent Reduction Amount for the relevant non-payment for the relevant Month in accordance with the following formula:

$$RRA = S - RSAA$$

where:

RRA = The Rent Reduction Amount for the relevant non-payment for the relevant Month

S = The amount of "S" (as defined in the formula in **clause 8.7(a)**)

RSAA = The Rent Shortfall Adjustment Amount for the relevant non-payment for the relevant Month calculated in accordance with **clause 8.7(a)** as a consequence of the non-payment of "S" (as defined in the formula in **clause 8.7(a)**)

For the avoidance of doubt, there will be more than one Rent Shortfall Adjustment Amount and Rent Reduction Amount for any relevant Month in circumstances in which there are more than one relevant non-payment in respect of a relevant Month.

8.8 Late Payment Adjustment Amount

If Aurizon is required to calculate a Rent Shortfall Adjustment Amount under **clause 8.7** and, after the end of the three month period referred to in **clause 8.7**, the relevant Extension Access Agreement Customer or Specified Access Agreement Customer pays the whole or part of the Direction to Pay Amount for the relevant Month referred to in **clause 8.7** into the Direction to Pay Account, then, promptly after each such payment (**relevant late payment**), Aurizon must calculate:

- (a) the Late Payment Adjustment Amount for the relevant late payment for the relevant Month in accordance with the following formula:

$$\text{LPAA} = \text{LPA}/\text{S} \times \text{RSAA}$$

where:

- LPAA = The Late Payment Adjustment Amount for the relevant late payment for the relevant Month
- LPA = The amount of the relevant late payment
- S = The amount of the Direction to Pay Amount for the relevant Month which the relevant Extension Access Agreement Customer or Specified Access Agreement Customer (as applicable) did not pay into the Direction to Pay Account within three months after the due date for the payment of such Direction to Pay Amount into the Direction to Pay Account
- RSAA = The Rent Shortfall Adjustment Amount for the relevant Month calculated in accordance with **clause 8.7(a)** as a consequence of the non-payment of "S" (as defined in the formula in this **clause 8.8(a)**)

- (b) the Rent Increase Amount for the relevant late payment for the relevant Month in accordance with the following formula:

$$\text{RIA} = \text{LPA}/\text{S} \times \text{RRA}$$

where:

- RIA = The Rent Increase Amount for the relevant late payment for the relevant Month
- LPA = The amount of the relevant late payment
- S = The amount of "S" (as defined in the formula in **clause 8.8(a)**)
- RRA = The Rent Reduction Amount for the relevant late payment for the relevant Month calculated in accordance with **clause 8.7(b)** as a consequence of the non-payment of "S" (as defined in the formula in **clause 8.8(a)**)

For the avoidance of doubt, there will be more than one Late Payment Adjustment Amount and Rent Increase Amount for any relevant Month in circumstances in which there are more than one relevant late payment in respect of a relevant Month.

9 Calculation of Rent

9.1 Objective

The Parties agree that the amount of the Rent for a Month payable by Aurizon to the Trustee under this Agreement is intended to be calculated so as to achieve the objective set out in **schedule 1** (Objective).

9.2 Rent Calculation Methodology

The Parties acknowledge and agree that the Rent Calculation Methodology as at the Commencement Date achieves the Objective as at the Commencement Date.

9.3 Calculation of Rent

- (a) The Rent for a Month will be the amount calculated in accordance with the Rent Calculation Methodology (as varied from time to time under this **clause 9**).
- (b) For the purpose of calculating the Rent for a Month, any Direction to Pay Amount for the Month which Aurizon has directed an Extension Access Agreement Customer or Specified Access Agreement Customer to pay into the Direction to Pay Account under **clauses 8.1** and **8.2** will be taken to have been paid by the Extension Access Agreement Customer or Specified Access Agreement Customer (as applicable) into the Direction to Pay Account by the due date for payment (regardless of whether or not the amount was actually paid into the Direction to Pay Account as directed by the due date for payment).

9.4 Variations to Rent Calculation Methodology

If, at any time, a Party considers, acting reasonably, that the Rent Calculation Methodology at that time fails, or will in the future fail, to achieve the Objective for any reason, then that Party may give a Notice (**Variation Notice**) to the other Party:

- (a) specifying how the Rent Calculation Methodology fails, or will in the future fail, to achieve the Objective;
- (b) requesting that the Rent Calculation Methodology be varied, to the extent necessary, so that the Rent Calculation Methodology achieves, or will in the future achieve, the Objective; and
- (c) setting out the Party's proposed variations to the Rent Calculation Methodology.

9.5 Good faith negotiations

- (a) If a Party gives a Variation Notice, the Parties must promptly (and in any event within ten Business Days) negotiate in good faith to endeavour to agree in writing the variations to the Rent Calculation Methodology, to the extent necessary, so that the Rent Calculation Methodology achieves, or will in the future achieve, the Objective.
- (b) For the purposes of the negotiations referred to in **clause 9.5(a)**, the Parties must:
 - (i) act fairly, reasonably and honestly;
 - (ii) work together and cooperate with each other; and
 - (iii) meet regularly with each other or as otherwise reasonably required by either of them.

9.6 Determination of Rent Calculation Methodology Dispute

- (a) If, within one month after a Party gives a Variation Notice to the other Party, the Parties have not agreed on variations to the Rent Calculation Methodology:
 - (i) a Dispute (**Rent Calculation Methodology Dispute**) will be taken to exist between the Parties; and
 - (ii) either Party may refer the Rent Calculation Methodology Dispute to an Expert for determination under the Expert Process.
- (b) If a Party refers the Rent Calculation Methodology Dispute to an Expert for determination under the Expert Process then, subject to **clause 9.6(c)**, the Parties must jointly appoint the Access Regulator as the expert to determine the Rent Calculation Methodology Dispute.
- (c) If:
 - (i) the Access Regulator does not accept the appointment as the expert to determine the Rent Calculation Methodology Dispute; or

- (ii) the Parties agree to have the Rent Calculation Methodology Dispute determined by an expert other than the Access Regulator,
- then the Rent Calculation Methodology Dispute will be determined by an Expert appointed in accordance with the Expert Process.
- (d) If a Rent Calculation Methodology Dispute is referred to an Expert other than the Access Regulator for determination in accordance with the Expert Process, the Expert must apply the principles which it considers, acting reasonably, would be applied by the Access Regulator if it were appointed as the expert to determine the Rent Calculation Methodology Dispute.
 - (e) Unless otherwise agreed between the Parties, in determining a Rent Calculation Methodology Dispute, the Expert (whether or not the Access Regulator) must determine:
 - (i) the extent to which the Rent Calculation Methodology fails, or will in the future fail, to achieve the Objective; and
 - (ii) the variations to the Rent Calculation Methodology (if any) required so that the Rent Calculation Methodology (once varied) will achieve the Objective.
 - (f) If the expert determines any variations to the Rent Calculation Methodology in accordance with **clause 9.6(e)**, the Rent Calculation Methodology will be taken to be varied as determined by the Expert:
 - (i) if the Rent Calculation Methodology Dispute is about the Rent Calculation Methodology failing to achieve the Objective in the future – on the date that the Rent Calculation Methodology would, but for the variations, fail to achieve the Objective in the future; or
 - (ii) otherwise – on the date that the Expert notifies in the Expert’s determination that the variation to the Rent Calculation Methodology takes effect.

10 Records and auditing

10.1 Keeping of records

- (a) Aurizon must maintain full and complete records of all information which may be reasonably required by the Trustee to verify the determination of the Rent (including the regulatory value of the Total Extension Infrastructure in its Regulatory Asset Base by asset type and by location on a basis that shows the Total Extension Infrastructure separately from other assets of the same asset type and location).
- (b) Aurizon must preserve and maintain the records referred to in **clause 10.1(a)** for a period of not less than five years following the end of the year in which the records ceased being necessary to enable calculation of the amounts payable to the Trustee under this Agreement.

10.2 Audit

- (a) The Trustee may appoint an independent auditor nominated by it and approved by Aurizon (**Auditor**) to carry out audits in order to verify the amounts included in Monthly Invoices, the advised Monthly Direction to Pay Amounts, the determination of Rent under this Agreement and such other matters reasonably required or relevant to the audit of the records provided under, or the administration of **clauses 7, 8, 9 and 10 (Audits)**.
- (b) Aurizon must approve any Auditor proposed by the Trustee unless Aurizon is of the opinion that the proposed Auditor has previously breached the terms of any

confidentiality undertaking which has previously been given by the proposed Auditor to Aurizon.

- (c) The costs and expenses of an Auditor must be borne solely by the Trustee.
- (d) Prior to the Auditor undertaking its first Audit, the Trustee must ensure that the Auditor provides Aurizon with a signed confidentiality undertaking from the Auditor in favour of Aurizon in the form shown in **schedule 4** or in a form otherwise acceptable to Aurizon (acting reasonably).
- (e) Upon at least ten Business Days prior written request given by the Trustee (not more than once each year of this Agreement), Aurizon must:
 - (i) give the Auditor reasonable access during normal business hours to the books, accounts and records of Aurizon relevant to an Audit; and
 - (ii) otherwise provide reasonable assistance and co-operation to the Auditor in relation to the conduct of the Audit.
- (f) The Parties acknowledge and agree that, except to the extent otherwise provided in the confidentiality undertaking referred to in **clause 10.2(d)**, the Auditor will only be entitled to disclose to the Trustee:
 - (i) whether or not the Auditor verified the amounts included in Monthly Invoices and the determination of Rent under this Agreement; and
 - (ii) if the Auditor is unable to verify any amount included in a Monthly Invoice and/or the determination of Rent under this Agreement, the nature and extent of the Auditor's inability to verify the amount included in the Monthly Invoice and/or the determination of Rent under this Agreement.
- (g) The Parties acknowledge and agree that the confidentiality undertaking referred to in **clause 10.2(d)** will:
 - (i) not prevent the Auditor from disclosing the result of its Audit (other than Customer Confidential Information) to the Trustee;
 - (ii) subject to **clause 10.2(g)(iii)**, require the Auditor to keep all Customer Confidential Information confidential (including from the Trustee); and
 - (iii) permit the Auditor to disclose Customer Confidential Information to an Expert (but not the Trustee) to the extent that the expert requires access to the Customer Confidential Information for the purpose of resolving a Dispute in accordance with the Expert Process about any amount included in a Monthly Invoice and/or the determination of Rent under this Agreement provided that the Expert has first signed a confidentiality undertaking in favour of Aurizon under which the Expert undertakes to keep the Customer Confidential Information confidential (including from the Trustee).

10.3 Audit of Direction to Pay Account

- (a) Aurizon may appoint an independent auditor nominated by it and approved by the Trustee (such approval not to be unreasonably withheld or delayed) (**DTP Auditor**) to carry out audits in order to verify amounts paid into the Direction to Pay Account (**DTP Audits**).
- (b) The costs and expenses of a DTP Auditor will be borne solely by the Trustee and the Trustee must reimburse Aurizon for any such costs and expenses incurred by Aurizon.
- (c) Upon at least ten Business Days prior written request given by Aurizon (not more than once each year of this Agreement), the Trustee must:

- (i) give the DTP Auditor reasonable access during normal business hours to the books, accounts, bank statements and records of the Trustee relevant to an DTP Audit; and
- (ii) otherwise provide reasonable assistance and cooperation to the DTP Auditor in relation to the conduct of the DTP Audit.

11 Force majeure

- (a) If Aurizon is prevented or hindered by a Force Majeure Event from fully or partly performing any obligation (except for the payment of money) under this Agreement, then Aurizon will be excused from performing that obligation for the period that Aurizon is so prevented or hindered.
- (b) Upon the occurrence of any Force Majeure Event which prevents or hinders Aurizon from fully or partly performing any obligation under this Agreement, Aurizon must:
 - (i) give notice of the event to the Trustee as soon as reasonably practicable;
 - (ii) use all reasonable endeavors to mitigate the effect of the Force Majeure Event upon the performance of its obligations under this Agreement; and
 - (iii) resume full performance of its obligations under this Agreement as soon as reasonably practicable, and notify the Trustee when it does so.

12 Termination

12.1 Termination by Trustee for Insolvency Event

The Trustee may immediately terminate this Agreement by notice to Aurizon if an Insolvency Event occurs in respect of Aurizon.

12.2 Termination by Trustee for non-payment

The Trustee may immediately terminate this Agreement by notice to Aurizon if Aurizon does not pay any money which is due for payment to the Trustee under a Monthly Invoice by the due date for payment and Aurizon does not pay that money, together with interest under **clause 7.3**, within a further period of 12 months after the Trustee gives a Notice to Aurizon requesting payment of that money.

12.3 Termination by Trustee after the Zero Value Date

The Trustee may terminate this Agreement by notice (effective immediately) to Aurizon at any time after the Zero Value Date.

12.4 No other rights of termination

- (a) Except as provided in **clauses 2.1(b), 12.1, 12.2 and 12.3** and despite any rule of law or equity to the contrary:
 - (i) neither Party may terminate, rescind or treat as repudiated, or obtain any order with the effect of terminating or rescinding, this Agreement; and
 - (ii) this Agreement will not terminate, be frustrated (whether at common law, by equity or by statute), be repudiated or taken to have been repudiated for any reason.
- (b) Neither the Trustee nor Aurizon may surrender any part of its interest in this Agreement.

13 Limitation of liability

13.1 Trustee's limitation of liability

- (a) Aurizon acknowledges that the Trustee enters into this Agreement only as trustee of the Trust, and in no other capacity (other than in respect of the warranties in relation to trustee capacity in clause [13.2] of the Extension Project Agreement which are given by the Trustee in its personal capacity).
- (b) A liability of the Trustee arising under or in connection with this Agreement is limited to and can be enforced against the Trustee only to the extent to which the Trustee is entitled to be indemnified out of the Trust for the liability and the liability can be satisfied out of property of the Trust.
- (c) The limitation of liability in this **clause 13.1** will not apply to any liability of the Trustee to the extent that the liability is not satisfied out of the property of the Trust because there is a reduction in the Trustee's right of indemnity as a result of the Trustee committing fraud, Gross Negligence, Wilful Default, breach of trust or breach of the Trust Deed or the Unit Holders Deed.

13.2 Application of Extension Project Agreement

The limitations and provisions contained in clause [7] of the Extension Project Agreement apply to this Agreement *mutatis mutandis*.

14 Trustee's risk acknowledgement

The Trustee acknowledges and accepts, each as a material term of this Agreement and to induce Aurizon to enter this Agreement, that:

- (a) its right to the payment of Rent under this Agreement and the quantum of the Rent payable under this Agreement is determined (in part) by Aurizon's revenue from each Coal System of which the Total Extension Infrastructure forms part;
- (b) Aurizon's revenue from each of those systems is dependent on various known and unknown risks, uncertainties and other factors (some of which are within, and some of which are beyond, Aurizon's control); and
- (c) those risks, uncertainties and other factors may cause Aurizon's actual revenue, and the actual payments to the Trustee under this Agreement, to differ from that expected by Aurizon or the Trustee.

15 Rail infrastructure manager

15.1 Rail infrastructure manager

Aurizon:

- (a) warrants that, at the date of this Agreement, it is accredited as rail infrastructure manager under the Rail Safety Act for railway operations in respect of the "Infrastructure" as defined in the State Infrastructure Lease; and
- (b) must:

- (i) use reasonable endeavours to, at all times during the period that any Total Extension Infrastructure is leased or subleased (as applicable) to Aurizon under this Agreement, be accredited as rail infrastructure manager under the Rail Safety Act for railway operations in respect of that Total Extension Infrastructure; and
- (ii) if the accreditation referred to in **clause 15.1(b)(i)** is suspended or cancelled, have that accreditation re-instated or replaced within a period of 120 days following the suspension or cancellation of that accreditation.

15.2 Approval of railway manager

For the purposes of section 255 of the TIA, the Parties acknowledge and agree that the terms of this Agreement and the other Transaction Documents constitute:

- (a) Aurizon's approval as railway manager of all the Works and other activities to be undertaken by or for the Trustee on the Extension Land under and in accordance with this Agreement or another Transaction Document; and
- (b) for avoidance of doubt, reasonable conditions to which that approval is subject.

16 General

16.1 Disputes

If any Dispute arises between the Parties under this Agreement, the Parties must follow the Dispute Resolution Process to resolve that Dispute.

16.2 Confidentiality

The Parties must comply with the Confidentiality Obligations in respect of Confidential Information.

16.3 Notices

Any notice, demand, certification, process or other communication (**Notice**) under this Agreement must comply with and be given in accordance with the Extension Project Agreement as if the Notice were a notice under that document.

16.4 Assignment

A Party may only assign, transfer, mortgage, charge, make the subject of a trust or otherwise deal with or encumber all or any of its rights or liabilities under this Agreement (or procure or permit any of those things) in accordance with the Extension Project Agreement.

16.5 GST

- (a) In this **clause 16.5**:
 - (i) unless there is a contrary indication, words and expressions which are not defined in this Agreement but which have a defined meaning in GST Law have the same meaning as in the GST Law;
 - (ii) **GST Law** has the same meaning given to that expression in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth); and
 - (iii) references to GST payable and input tax credit entitlement include GST payable by, and the input tax credit entitlement of, the representative member for a GST group of which the entity is a member and the GST joint venture operator of any GST joint venture of which the entity is a participant.
- (b) Unless otherwise expressly stated, all prices or other sums payable or consideration to be provided under this Agreement are exclusive of GST.

- (c) If GST is payable on any supply made by a Party (or any entity through which that Party acts) (Supplier) under or in connection with this Agreement the recipient of the supply will pay to the Supplier an additional amount equal to the GST payable on the supply. Subject to **clauses 16.5(d)** and **16.5(e)**, the amount referred to in this **clause 16.5(c)** must be paid in addition to and at the same time and in the same manner (without any set-off or deduction) that the consideration for the supply is to be provided under this Agreement.
- (d) The Parties agree that:
- (i) Aurizon will issue a recipient created tax invoice (**RCTI**) in respect of any taxable supply which the Trustee makes to Aurizon under or in connection with this Agreement (**Trustee Supplies**);

 - (v) Aurizon will issue an adjustment note to the Trustee for any adjustment events that arise in relation to a supply for which a RCTI has been issued;
 - (vi) each RCTI to be issued in accordance with this Agreement is a tax invoice belonging to the class of invoices that the Commissioner of Taxation has determined in writing may be issued by the recipient of a taxable supply; and
 - (vii) the agreement in this **clause 16.5(d)** will terminate immediately if Aurizon or the Trustee cease to satisfy any of the requirements under the GST Law for issuing a RCTI.
- (e) In respect of taxable supplies to which **clause 16.5(d)** does not apply, the Supplier must deliver a tax invoice or an adjustment note to the recipient of the taxable supply before the Supplier is entitled to payment of an amount on account of GST under **clause 16.5(c)** in respect of the supplies it makes to the recipient. The recipient can withhold payment of the amount on account of GST until the Supplier provides a tax invoice or an adjustment note, as appropriate.
- (f) If an adjustment event arises in respect of a taxable supply made by a Supplier under this Agreement, the amount payable by the recipient under **clause 16.5(c)** will be recalculated to reflect the adjustment event and a payment will be made by the recipient to the Supplier, or by the Supplier to the recipient, as the case requires.
- (g) Where a Party is required under this Agreement to pay for, reimburse or contribute to any expense, loss, liability or outgoing of the other Party or indemnify another party in relation to such an expense, loss, liability or outgoing, the amount required to be paid, reimbursed or contributed by the first Party will be the sum of:
- (i) the amount of the expense, loss, liability or outgoing less any input tax credits in respect of the expense, loss, liability or outgoing to which the other Party is entitled; and
 - (ii) if the payment, reimbursement or contribution is subject to GST, an amount equal to that GST.
- (h) If an amount of consideration payable or to be provided under or in connection with this Agreement is to be calculated by reference to:
- (i) any expense, loss, liability or outgoing suffered or incurred by another person (**Cost**), that reference will be to the amount of that Cost excluding the amount

of any input tax credit entitlement of that person relating to the Cost suffered or incurred; and

- (ii) any price, value, sales, proceeds, revenue or similar amount (**Revenue**) that reference will be to that Revenue determined by deducting from it an amount equal to the GST payable on the supply for which it is consideration.

16.6 Survival

This **clause 16.6** and **clauses [#]** and **[#]** survive the termination of this Agreement.

16.7 Incorporated General Provisions

Except to the extent of any inconsistency with this Agreement, the General Provisions are taken to be incorporated into this Agreement *mutatis mutandis*.

16.8 Applicable law

- (a) This Agreement will be governed by and construed in accordance with the laws applicable in the State.
- (b) Each Party irrevocably submits to the exclusive jurisdiction of courts exercising jurisdiction in the State and courts of appeal from them in respect of any proceedings arising out of or in connection with this Agreement. Each Party irrevocably waives any objection to the venue of any legal process in these courts on the basis that the process has been brought in an inconvenient forum.

16.9 Counterparts

This Agreement may consist of a number of counterparts and, if so, the counterparts taken together constitute one document.

Excluded Revenue means:

- (a) in respect of the Extension Pre-Tax Allowable Revenue and the System Pre-Tax Allowable Revenue, any revenue which, under the relevant regulated pricing regime, may be earned in relation to operation or maintenance (including OPRA), and any other revenue component not based on the Capital Value of the System or the System Total Extension Infrastructure (as applicable); and
- (b) in respect of the System Capital Revenue, any revenue which, under the relevant regulated pricing regime, is received in relation to operation or maintenance (including OPRA), and any other revenue component not based on the Capital Value of the System.

Extension Pre-Tax Allowable Revenue means, for a System, the pre-tax amount of revenue from the relevant Pricing Component that the relevant regulated pricing regime specifies may be earned under Access Agreements from train services that use the System

Total Extension Infrastructure and that is calculated based on the Capital Value of the System Total Extension Infrastructure, as relied on by the Access Regulator for approval of that pre-tax amount of revenue (and, for the avoidance of doubt, excludes all Excluded Revenue).

OPRA means, for a System, the operational and performance risk allowance (or similar allowance however described) approved by the Access Regulator in respect of any relevant commercial or regulatory risk borne by Aurizon in connection with the operation and maintenance of that System. Where OPRA is not provided for under an Access Undertaking or approved by the Access Regulator for a System under an Access Undertaking, OPRA will be taken to be zero.

Pricing Component means a pricing component relating to parts of the Rail Network that differs from pricing components relating to other parts of the Rail Network based on differences in cost and utilisation, as approved by the Access Regulator. For example, under the 2010 Access Undertaking:

- (a) the component of the Reference Tariff (or access charges derived from the Reference Tariff) calculated based on AT₅ is a Pricing Component; and
- (b) the component of the Reference Tariff (or access charges derived from the Reference Tariff) calculated based on AT₂, AT₃ and AT₄ is another Pricing Component.

In this definition, AT₂, AT₃, AT₄, AT₅ and Reference Tariff have the meaning given to those terms in the 2010 Access Undertaking.

SEI Capital Revenue means, for a System, the SEI Proportion multiplied by the System Capital Revenue, subject to **item 1.3(b)** of this **item 1** of **schedule 1**.

SEI Proportion means, for a System, the proportion which the Extension Pre-Tax Allowable Revenue bears to the System Pre-Tax Allowable Revenue.

System means, as applicable, each relevant part of the Railway Network to which a Pricing Component applies. For example, under the 2010 Access Undertaking:

- (a) the relevant parts of the Railway Network in an Individual Coal System for which a component of the Reference Tariff (or access charges derived from the Reference Tariff) calculated based on AT₅ applies is a System; and
- (b) the relevant parts of the Railway Network in that Individual Coal System for which a component of the Reference Tariff (or access charges derived from the Reference Tariff) calculated based on AT₂, AT₃ and AT₄ applies is another System.

In this definition, Individual Coal System, AT₂, AT₃, AT₄, AT₅ and Reference Tariff, have the meaning given to those terms in the 2010 Access Undertaking.

System Capital Revenue means, for a System, the revenue from the relevant Pricing Component received by Aurizon under Access Agreements for the provision of access to the System for the operation of train services (including revenue payable where trains were entitled to operate but did not operate – that is, take or pay revenue) for the same type of train services as those taken into account for the purpose of calculating the System Pre-Tax Allowable Revenue less all Excluded Revenue and adjusted to reflect any increase or decrease to the System Pre-tax Allowable Revenue associated with incentives or other efficiency sharing mechanisms.

System Total Extension Infrastructure means, for a System:

- (a) the Total Extension Infrastructure which forms part of the System (from time to time);
- (b) any Removed Infrastructure which forms part of the System and which has a value in the Regulatory Asset Base; and

- (c) any Replaced Part or Removed Obsolete Part which forms part of the System and which has a value in the Regulatory Asset Base.

System Pre-Tax Allowable Revenue means, for a System, the pre-tax amount of revenue from the relevant Pricing Component that the relevant regulated pricing regime specifies may be earned under Access Agreements from train services that use the System and that is calculated based on the Capital Value of the System, as relied on by the Access Regulator for approval of that pre-tax amount of revenue (and, for the avoidance of doubt, includes the Extension Pre-Tax Allowable Revenue but excludes all Excluded Revenue).

1.3 Objective

- (a) The mutual objective of the Parties is that the Rent payable by Aurizon to the Lessor under this Agreement for a Month will be the sum of the SEI Capital Revenue for each System for that Month.
- (b) However, if the calculation of the relevant System Capital Revenue includes:
 - (i) charges, adjustments, off-sets, refunds or any other positive or negative amounts that are payable in respect of access;
 - (ii) adjusted access charges that were increased or decreased in relation to an under or over recovery of revenue from that System; or
 - (iii) any other adjustment,in respect of a time prior to the relevant Month (**Adjustments**), then the SEI Capital Revenue must be adjusted so that each Adjustment is applied in proportion to the SEI Proportion that would have applied at the time in respect of which that Adjustment relates.

2 Objective following regulatory period

2.1 Application

This **item 2** of **schedule 1** applies after the Railway Network ceases to be regulated under Access Legislation.

2.2 Definitions

Capital Revenue means, in respect of a Section:

- (a) actual access revenue, where access is provided as a separate commercial service;
- (b) Notional Access Revenue where access is provided as part of a CITS; or
- (c) a combination of both actual access revenue and Notional Access Revenue,

as applicable for that Section less Aurizon's operating and maintenance expenditure for that Section.

CITS means a commercially integrated transportation service for which the provider incurs both below-rail costs and Other Transportation Costs, and charges its customer an integrated fee for transportation services rendered to it.

CITS Provider means Aurizon or any Related Body Corporate of it that provides CITS to a customer.

Determined Other Transportation Costs means the determined quantum of Other Transportation Costs that the CITS Provider would have avoided had it not provided the Other Transportation Elements, including:

- (a) operating costs of providing the Other Transportation Elements;

- (b) administrative costs related to the provision of the Other Transportation Elements; and
- (c) an appropriate allowance for the capital costs of providing the Other Transportation Elements, which allowance must reflect the opportunity costs of the CITS Provider's relevant assets where they exist or otherwise the acquisition cost of the relevant assets (which may not be new assets), comprising both depreciation and return on assets.

End Regulation Date means the date on which this **item 2** of **schedule 1** commenced to apply.

Final Regulatory Regime means the Access Legislation and Access Undertaking that applied to Aurizon immediately prior to the End Regulation Date.

Notional Access Revenue means, in respect of the CITS provision relating to a Section, the lesser of:

- (a) the access revenue that would have been allowable to Aurizon in respect of that Section at the time of provision of the CITS had the Final Regulatory Regime continued to apply beyond the End Regulation Date, and
- (b) the revenue received by the CITS Provider for the provision of the CITS less the relevant Determined Other Transportation Costs, both being in respect of that Section.

Other Transportation Costs means costs other than below-rail costs incurred by the CITS Provider in providing CITS.

Other Transportation Elements means all elements of the CITS (service) other than the below-rail element.

Section has the meaning given in **item 2.3** of this **schedule 1**.

2.3 Objective

Pricing of access

Where Aurizon provides a customer with access between any two points of rail infrastructure and Total Extension Infrastructure constitute any part of the rail infrastructure over which the access is provided (the rail infrastructure between those two points being a **Section**), the access agreement or CITS agreement as applicable between Aurizon and the customer must feature:

- (a) a no more favourable pricing regime (from the customer's perspective) for the provision of access or CITS as applicable in respect of Total Extension Infrastructure within that Section; than
- (b) the pricing regime applicable to the provision of access or CITS as applicable in respect of other assets within that Section,

due to the Total Extension Infrastructure ownership.

For the avoidance of doubt, Aurizon may adopt

- (i) in an access agreement, pricing in respect of a Section below the maximum amount that would have been allowed had the Final Regulatory Regime continued to apply beyond the End Regulation Date; and
- (ii) in a CITS agreement, pricing in respect of a Section as Aurizon sees fit.

Revenue sharing

Aurizon will pay to the Trustee the percentage of Capital Revenue attributable to each Section on the basis that would have applied at the time that Aurizon earned that Capital

Revenue had the Final Regulatory Regime continued to apply beyond the End Regulation Date.

[Drafting note: *A special Dispute Resolution Process for a Dispute in respect of **item 2** of **schedule 1** (to be absolutely clear, this special arrangement is required **only** for a post regulatory dispute) is to be included. The special Dispute Resolution Process will involve expert determination by a panel of three experts, with one nominee by the Trustee, another nominee by the Lessee and the third by agreement or failing that by an independent party. Panel decisions require any two panel members to agree. Each expert must meet the standards set out in the Dispute Resolution Process, as modified to reflect decision by a panel of experts rather than a single expert.]*
