[Independent Trustee] as trustee for the [Name of Trust]

Aurizon Network Pty Ltd

The State of Queensland (represented by the Department administering the *Transport Infrastructure Act 1994* (Qld))

Queensland Treasury Holdings Pty Ltd

User Funding – Integrated Network Deed

[*insert Extension name*]

General drafting note:

This template Integrated Network Deed (**CQCIN IND**) is relevant to SUFA transactions involving the construction of Extension Infrastructure which will form part of the Central Queensland Coal Network (other than the two sections of the North Coast Line

which form part of the Central Queensland Coal Network). DTMR is the Land Lessor, and Queensland Treasury Holdings Pty Ltd is the infrastructure lessor, in respect of the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network).

If a SUFA transaction will involve the construction of Extension Infrastructure which will form part of either of the two sections of the North Coast Line in respect of which Aurizon Network is railway manager, an Integrated Network Deed for the North Coast Line (**NCL IND**) will be required. DTMR is the land lessor, and Queensland Rail Limited is the infrastructure lessor, in respect of those sections of the North Coast Line.

If a SUFA transaction will involve the construction of Extension Infrastructure which will form part of the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network) only, the relevant parties will enter into a CQCN IND.

If a SUFA transaction will involve the construction of Extension Infrastructure which will form part of the Aurizon Network-controlled sections of the North Coast Line only, the relevant parties will enter into an NCL IND.

If a SUFA transaction will involve the construction of Extension Infrastructure which will form part of both the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network) and the Aurizon Network-controlled sections of the North Coast Line, the relevant parties will enter into both a CQCN IND and an NCL IND.

The entry into of an Integrated Network Deed is in the absolute discretion of DTMR and Queensland Treasury Holdings Pty Ltd or Queensland Rail Limited (as applicable) on a transaction-by-transaction basis.

This Deed has been drafted on the basis that the Extension will be solely constructed on land that is the subject of a rail corridor sublease from the State of Queensland to Aurizon Network Pty Ltd that is granted under section 240 of the *Transport Infrastructure Act 1994* (Qld) and is dated 1 July 1995. It will need to be modified to the extent that the Extension is to be constructed on land that is not subject to this sublease. The State of Queensland is not under any obligation to, and makes no representation that it will, acquire, or facilitate the acquisition of, any interest in land for the construction of any Extension.

8.2 References to Extension Infrastructure and Other Extension Infrastructure

- (a) For the purpose of **clause 8.4**, a reference to Extension Infrastructure is a reference to the Extension Infrastructure leased to the Trustee under the Extension Infrastructure Head-Lease as at the date Aurizon Network provides the register to the Infrastructure Lessor under **clause 8.4**.
- (b) For the purpose of this **clause 8** (other than **clauses 8.4** and **8.5**) and **schedule 2**, a reference to Extension Infrastructure is a reference to that part of the "Infrastructure" (as defined in the Infrastructure Lease) as at the Expiry Date that was Extension Infrastructure leased to the Trustee under the Extension Infrastructure Head-Lease immediately prior to the Expiry Date (and, for the avoidance of doubt, does not include any Excluded Extension Infrastructure or Extension Infrastructure which the

Trustee and the State agree may be removed by the Trustee under clause [12.1] of the Extension Infrastructure Head-Lease).

- (c) For the purpose of this **clause 8** and **schedule 2**, a reference to Other Extension Infrastructure is a reference to that part of the “Infrastructure” (as defined in the Infrastructure Lease) as at the Expiry Date that was Other Extension Infrastructure leased to an Other Funder under an Other Extension Infrastructure Head-Lease immediately prior to the Expiry Date (and, for the avoidance of doubt, does not include any “Excluded Extension Infrastructure” (as defined in an Other Extension Infrastructure Head-Lease)) or any “Extension Infrastructure” (as defined in an Other Extension Infrastructure Head-Lease) which an Other Funder and the State agree may be removed by the Other Funder under a provision of the Other Extension Infrastructure Head-Lease which corresponds with clause [12.1] of the Extension Infrastructure Head-Lease).

- (e) If Aurizon Network or the Trustee does not give the Infrastructure Lessor a written notice referred to in **clause 8.7(b)** within the time referred to in **clause 8.7(b)**, then:

- (e) If the Trustee does not give Aurizon Network a Dispute Notice referred to in **clause 8.8(c)** within the time referred to in **clause 8.8(c)**, then:

- (c) If Aurizon Network, with the consent of the Infrastructure Lessor under clause **15.2(e)** of the Extension Infrastructure Head-Lease, proposes to assign or transfer Aurizon Network's rights and obligations under the Extension Infrastructure Head-Lease in so far as they relate to part only of the Extension Infrastructure, the Parties must, promptly after being requested to do so by Aurizon Network, enter into a deed (**Transferee Integrated Network Deed**) with the assignee of such rights and obligations under the Extension Infrastructure Head-Lease on the same terms and conditions as this Deed (except that the assignee will be the

party which is “Aurizon Network” under such Transferee Integrated Network Deed and the “Extension Infrastructure Head-Lease” under such Integrated Network Deed will be the Transferee Extension Infrastructure Head-Lease) with effect on and from the date of such assignment or transfer.

16.5 Assignment by Trustee

- (a) If the Trustee is replaced by a new trustee of the Trust:
 - (i) the Trustee must, with effect upon the appointment of the new trustee of the Trust, assign and transfer all (and not part only) of its rights and obligations (including accrued obligations) under this Deed, the Extension Infrastructure Head-Lease, any Sublease and any Land Licence and any other Transaction Document to the new trustee of the Trust; and
 - (ii) the new trustee of the Trust must provide to each other Party a duly executed deed, in a form reasonably required by the other Parties, under which the new trustee of the Trust undertakes to each other Party to assume the rights, and be bound by the obligations (including accrued obligations), of the Trustee under this Deed as if it were the Trustee.

- (c) Each of Aurizon Network, the Land Lessor and the Infrastructure Lessor:

 - (ii) must duly execute any deed substantially in the form set out in **schedule 3** which has been duly executed by the Trustee, the Financier (or its agent) and, if applicable, the security trustee, and delivered to it.

- (ii) it is able to pay its debts as and when they fall due.
- (b) Each Party warrants that:
 - (i) it has the power to enter into and perform this Deed and has obtained all necessary consents to enable it to do so;
 - (ii) its obligations under this Deed are enforceable in accordance with their terms;
 - (iii) no litigation, arbitration or administrative proceeding has been commenced before, and no judgment or award has been given or made by, any court, arbitrator, other tribunal or Governmental Agency against it which would have a material adverse effect on its ability to observe its obligations under this Deed; and
 - (iv) it is not in breach or default under any agreement to which it is a party to an extent or in a manner which would have a material adverse effect on its ability to perform its obligations under this Deed.

18.2 Trustee warranties

The Trustee warrants that:

- (a) it has full power and authority to enter into this Deed and to perform the Trustee's obligations under this Deed and the Trust Deed;
- (b) it is the sole trustee of the Trust and no action has been taken to remove or replace the Trustee as trustee of the Trust; and
- (c) it has the right to be fully indemnified out of the assets of the Trust in respect of all its obligations under this Deed, and the Trustee has not done or omitted to do anything that would result in its right of indemnity being restricted or limited in any way.

18.3 Reliance

- (a) Each Party acknowledges that each other Party has entered into this Deed in reliance upon the warranties contained in **clause 18.1**.
- (b) The Trustee acknowledges that the other Parties have entered into this Deed also in reliance upon the warranties contained in **clause 18.2**.

19 General

19.1 Entire agreement

- (a) This Deed contains the entire understanding between the Parties as to its subject matter.
- (b) This Deed sets out the only conduct relied on by the Parties and supersedes all prior agreements and undertakings between the Parties in connection with its subject matter.

19.2 No waiver

No failure to exercise nor any delay in exercising any right, power or remedy under this Deed by a Party operates as a waiver. A single or partial exercise or

waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the Party granting that waiver unless made in writing.

19.3 Rights cumulative

Subject to any express provision in this Deed to the contrary, the rights, powers and remedies of a Party under this Deed are cumulative and are in addition to, and do not exclude or limit, any right, power or remedy provided by law or equity or by any other agreement.

19.4 Amendment

No amendment or variation of this Deed is valid or binding on a Party unless made in writing and executed by all Parties.

19.5 Further assurance

Each Party must do everything (including executing agreements and documents) necessary or reasonably required by any other Party to give full effect to this Deed and the transactions contemplated by it.

19.6 No merger

The rights and obligations of the Parties will not merge on the completion of any transaction contemplated by this Deed. They will survive execution and delivery of any assignment or other document entered into for the purpose of implementing any such transaction.

19.7 Severability of provisions

Any provision of this Deed that is prohibited or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition or unenforceability. That does not invalidate the remaining provisions of this Deed nor affect the validity or enforceability of that provision in any other jurisdiction.

19.8 Trustee's limitation of liability

- (a) The Parties acknowledge that the Trustee enters into this Deed in its capacity only as trustee of the Trust, and in no other capacity (other than in respect of the warranties in relation to trustee capacity in **clause 18.2** which are given by the Trustee in its personal capacity).
- (b) A liability of the Trustee arising under or in connection with this Deed is limited to and can be enforced against the Trustee in its capacity as trustee of the Trust only to the extent to which the Trustee is entitled to be indemnified out of the Trust for the liability and the liability can be satisfied out of property of the Trust.
- (c) The limitation of liability in this **clause 19.8** will not apply to any liability of the Trustee in its capacity as trustee of the Trust to the extent that the liability is not satisfied out of the property of the Trust because there is a reduction in the Trustee's right of indemnity as a result of the Trustee committing:
 - (i) fraud;

- (ii) Gross Negligence (as defined in the Extension Project Agreement);
 - (iii) a Wilful Default (as defined in the Extension Project Agreement); or
 - (iv) breach of trust or breach of the Trust Deed or the Unit Holders Deed.
- (d) The Trustee must not amend:
- (i) the Trust Deed in any way that might reduce the scope of its entitlement to indemnity out of the Trust as specified in clause [17.2] of the Trust Deed; or
 - (ii) the definitions of "Gross Negligence" or "Wilful Default" (as each is defined in the Extension Project Agreement),
- as those provisions stand at the date of the Extension Project Agreement (such provisions being set out in **schedule 4**).

19.9 Consents

Except as expressly stated otherwise in this Deed, a Party may conditionally or unconditionally give or withhold any consent to be given under this Deed and is not obliged to give its reasons for doing so.

19.10 Counterparts

This Deed may consist of a number of counterparts and, if so, the counterparts taken together constitute one document.

19.11 Relationship of Parties

This Deed is not intended to create a partnership, joint venture or agency relationship between the Parties.

19.12 Survival of representations and warranties

All representations and warranties in this Deed will survive the execution and delivery of this Deed and the completion of the transactions contemplated by it.

19.13 Enurement

The provisions of this Deed will, subject as otherwise provided in this Deed, enure for the benefit of and be binding on the Parties and their respective successors and permitted novatees and assigns.

19.14 Powers of attorney

An attorney by executing this Deed declares that he or she has received no notice of revocation of the power of attorney pursuant to which he or she executes this Deed.

19.15 Legal costs

- (a) Aurizon Network and the Trustee must each pay their own legal costs and expenses of the drafting, negotiating and execution of this Deed.
- (b) The Trustee must pay and, if paid by a State Party, reimburse the State Party for, its reasonable legal costs and expenses of the drafting, negotiating and execution of this Deed.

19.16 Consequential Loss

Despite any provision of this Deed, no Party will be liable to any other Party for any Consequential Loss suffered by or Claimed against that other Party.

20 Governing law and jurisdiction

- (a) This Deed is governed by the laws of the State of Queensland.
- (b) Each Party irrevocably and unconditionally submits to the exclusive jurisdiction of the courts of Queensland and courts of appeal from them for determining any dispute concerning this Deed. Each Party waives any right it has to object to an action being brought in those courts, to claim that the action has been brought in an inconvenient forum, or to claim that those courts do not have jurisdiction.
- (c) The Parties agree that none of them will institute or attempt to institute any proceedings in relation to any dispute or any matter or thing arising out of or in connection with this Deed other than in a court in Queensland or, in respect of any proceedings in a Federal court, in the Brisbane registry of the relevant Federal court. A Party must not, without the consent of all other Parties, request that proceedings instituted in a Federal court in Queensland be heard outside Queensland.
- (d) Without preventing any other mode of service, any document in an action (including any writ of summons or other originating process or any third or other party notice) may be served on a Party by being delivered to that Party in accordance with **clause 17**.

21 Duty

The Trustee and Aurizon Network must pay and indemnify and keep indemnified the State Parties against any liabilities for stamp, transaction, registration and similar taxes (including fines and penalties resulting from delay or omission to pay such taxes, where such delay or omission is a result of the action or inaction of the Trustee or Aurizon Network) which may be payable in relation to this Deed or the performance, operation or enforcement of this Deed or any payment or receipt or other transaction contemplated by it (other than in respect of any assignment or transfer of the rights or obligations of the Land Lessor or Infrastructure Lessor contemplated by **clause 16**). The obligation of the Trustee and Aurizon Network under this **clause 21** binds them separately and together.

Schedule 1

Rail Corridor Agreement

[Drafting note: *The form of the Rail Corridor Agreement to be included on a transaction-by-transaction basis.*]

Schedule 2

Share calculation methodology

1 Calculation of Percentage Shares of Disposal Amount

[**Drafting note:** Percentage Share for Sharing Party of the Disposal Amount will be calculated in accordance with the following methodology.

Sharing Party means each of Aurizon Network, the Trustee and each Other Funder.

The **Percentage Share** of each Sharing Party shall be

- (a) the 'Discounted Value' (as defined below) of the cashflows that would have related to that Sharing Party under the SUFA documentation that relates to it had no early termination event occurred and had the 'Reference Case' (also as defined below) occurred, divided by
- (b) the aggregate of the amounts in item (a) for all Sharing Parties, as determined on a fair and reasonable basis.

Discounted Value means the discounted value on the basis of the Reference Discount Rate as determined at the Reference Point.

Reference Case means the case of expected (future) pre-tax cashflows, which shall comprise revenues and operational & maintenance expenses and replacement capital outgoings only, that would arise from the conduct of 'business as usual' commencing from the 'Reference Point' (as defined below) and ending when such revenue and O&M expenses are expected to end (that is, this case represents what would have happened in the absence of the early termination event), subject to the overriding assumption that no augmentation of the railway network would occur. In the development of the Reference Case there should only be regard to the state of affairs known as at the date of the Reference Point.

Reference Discount Rate means the discount rate equal to the 'central case' rate of return (on a pre-tax basis) for comparable net income streams from comparable infrastructure assets (on an ungeared basis) applied in good valuation practice of Australian infrastructure assets on the basis of a transfer of ownership of such net income streams within markets where there are willing buyers and willing sellers. The Reference Discount Rate shall be determined as at the Reference Point.

Reference Point means the date on which the Infrastructure Lease terminates.]

2 Calculation of Percentage Shares of Compensation Amount

[Drafting note: *The Percentage Share for each Sharing Party of the Compensation Amount will be the proportion of the aggregate market value that relates to the assets that were funded by the applicable Sharing Party and are in place as at the date on which the Infrastructure Lease expires, as determined on a fair and reasonable basis.*

Sharing Party means each of Aurizon Network, the Trustee and each Other Funder.]
