The Landholder grants a non-exclusive licence to:

3.2 No unreasonable interference

The Landholder must not, and must use all reasonable endeavours to procure that its Associates and any third parties entitled to access and use

the Extension Land or the Landholder Infrastructure do not, unreasonably interfere with the licence granted under **clause 3.1**.

3.3 **Extension Land**

- (a) In the event of an Adjustment Event or a Variation, a Party (**Proposing Party**) may notify the other Party (**Non-Proposing Party**) of a proposal to vary the area of the Extension Land (**Proposed Variation**) (which proposal must include details of the variation, the reasons for the variation and any alternatives to that variation) to the extent required as a result of the Adjustment Event or a Variation.

 - (i) where the commencement of the Proposed Variation is conditional on the satisfaction of conditions or requirements, the date of satisfaction or waiver of such conditions or requirements; or
 - (ii) otherwise, the date of such consent (or deemed consent),

except to the extent the Proposed Variation proposes to vary the area of the Extension Land to include any Additional Land (in which case **clause 3.4** will apply).

- (g) Promptly following a variation to the Extension Land under this **clause 3.3**, the Landholder must give the Trustee a revised version of **schedule 1** which incorporates that variation and that revised version of **schedule 1** is taken to replace the existing **schedule 1**.

 - (ii) the Additional Land Interest must be acquired from or granted by a third party if:
 - (A) it has been determined by the Access Regulator that the cost of the Landholder securing the Additional Land Interest will be included in the Regulated Asset Base, or the Trustee has indemnified the Landholder in respect of the cost of securing the Additional Land Interest, and the Landholder is not able to secure the Additional Land Interest on any terms, except that any terms as to cost must be consistent with the determination or indemnification (as the case may be), having undertaken bona fide arm's length negotiations with the third party to do so; or
 - (B) in circumstances where there has been no determination or indemnification as contemplated under **clause 3.4(b)(ii)(A)**, the Landholder is not able to secure the Additional Land Interest on reasonable commercial terms having undertaken bona fide arm's length negotiations with the third party to do so.
- (c) The Landholder must afford the Trustee the opportunity to attend and contribute to the negotiations referred to in **clause 3.4(b)(ii)(B)**.

- (b) To the extent that the Landholder's interest in the Extension Land is or becomes held pursuant to a Sublease:
 - (i) the Trustee acknowledges that:
 - (A) this Agreement will be subject to all reservations contained in the Head Lease and the Sublease, but only to the extent and from such time that such reservations are disclosed to the Trustee;
 - (B) it is a condition of the Head Lease that the land comprised within it is used for transport, purposes ancillary to transport and other commercial and community purposes as approved by the chief executive of DTMR; and
 - (C) it is a condition of the Sublease that the land comprised within it is used for the purpose of managing and operating a railway and is not used for any other purpose without the consent of the chief executive of DTMR;
 - (ii) despite any other clause in this Agreement but only to the extent and from such time that the terms of the Sublease are disclosed to the Trustee and without limitation to the provisions of clause 4(b) of the Integrated Network Deed, the Trustee:

 - (1) DTMR's right to exercise any right or power held by the Landholder; and

in respect of any part of the Extension Land that is subject to the Sublease; and

- (C) acknowledges and agrees that it must not create or allow to subsist a Security Interest over all or part of the Trustee's rights or interests under this Agreement or in the Extension Land (if any) other than in accordance with the provisions of the Integrated Network Deed.
- (c) If the Head Lease or the Sublease is terminated for any reason, then the Landholder must provide to the Trustee a copy of any such notice received in connection with the termination as soon as reasonably practicable (and in any event, not later than three Business Days) after it is received by the Landholder.
- (d) The Landholder must provide to the Trustee a copy of any notice which is given to the Landholder under the Sublease which materially affects the Trustee's rights and/or obligations under this Agreement as soon as reasonably practicable (and in any event, not later than three Business Days) after it is received by the Landholder.
- (e) The Landholder covenants with the Trustee that the Landholder will comply with its obligations under the Sublease except that it will not be in default of this provision where a failure to comply is the result of the Trustee failing to comply with any of its obligations under the Transaction Documents.

7 Ownership

- (a) Nothing in this Agreement will be construed as vesting in the Landholder any proprietary or other interest in the Extension Infrastructure or any Removed Infrastructure.
- (b) The Parties acknowledge that, as between them:
 - (i) the ownership of Removed Infrastructure is provided for under the Extension Infrastructure Head-Lease or the Extension Infrastructure Sub-Lease (as applicable); and

- (b) A liability of the Trustee arising under or in connection with this Agreement is limited to and can be enforced against the Trustee only to the extent to which the Trustee is entitled to be indemnified out of the Trust for the liability and the liability can be satisfied out of property of the Trust.
- (c) The limitation of liability in this **clause 9.1** will not apply to any liability of the Trustee to the extent that the liability is not satisfied out of the property of the Trust because there is a reduction in the Trustee's right of indemnity as a result of, and to the extent of, the Trustee committing fraud, Gross Negligence, Wilful Default, breach of trust or breach of the Trust Deed or the Unit Holders Deed.

- (i) procured the design, construction and commissioning of the Extension Infrastructure under the Construction Agreement; and
 - (ii) permitted the use of the Extension Infrastructure for permitted purposes under the Extension Infrastructure Sub-Lease.

11.2 No prejudice as to right to damages

Subject to **clause 9**, nothing in this **clause 11** prejudices in any way a Party's right to Claim and recover damages for any breach of this Agreement by the other Party.

 - (vii) the agreement in this **clause 13.5(d)** will terminate immediately if the Landholder or the Trustee cease to satisfy any of the requirements under the GST Law for issuing a RCTI.
- (e) In respect of taxable supplies to which **clause 13.5(d)** does not apply, the Supplier must deliver a tax invoice or an adjustment note to the recipient of the taxable supply before the Supplier is entitled to payment of an amount on account of GST under **clause 13.5(c)** in respect of the supplies it makes to the recipient. The recipient can withhold payment of the amount on account of GST until the Supplier provides a tax invoice or an adjustment note, as appropriate.
- (f) If an adjustment event arises in respect of a taxable supply made by a Supplier under this Agreement, the amount payable by the recipient under **clause 13.5(c)** will be recalculated to reflect the adjustment event and a payment will be made by the recipient to the Supplier, or by the Supplier to the recipient, as the case requires.

 - (ii) if the payment, reimbursement or contribution is subject to GST, an amount equal to that GST.

- (h) If an amount of consideration payable or to be provided under or in connection with this Agreement is to be calculated by reference to:
 - (i) any expense, loss, liability or outgoing suffered or incurred by another person (**Cost**), that reference will be to the amount of that Cost excluding the amount of any input tax credit entitlement of that person relating to the Cost suffered or incurred; and
 - (ii) any price, value, sales, proceeds, revenue or similar amount (**Revenue**), that reference will be to that Revenue determined by deducting from it an amount equal to the GST payable on the supply for which it is consideration.

This **clause 13** and **clauses 1, 9, 10** and **11.2** survive the termination of this Agreement.

13.7 **Incorporated General Provisions**

Except to the extent of any inconsistency with this Agreement, the General Provisions are taken to be incorporated into this Agreement *mutatis mutandis*.
