

**Energex
GSL reporting**

Note:

No. of *GSL payments given* includes both automatically identified GSLs and customer-initiated claims that have been made.
No. of *customer claims* is the total number of customer claims received (the sum of *customer claims made and paid* and *customer claims rejected*)

Note 1: Energex reported 104 reliability GSLs in the September 2015 quarter. Although this is a decrease on volumes reported in the previous two quarters, volumes remain higher than typical. Results this quarter are associated with an underground equipment failure in the Noosa area during the quarter.
