Dear Mr Timbrell

Approval of amended 2019 Dalrymple Bay Coal Terminal (DBCT) draft access undertaking (DAU)

The Queensland Competition Authority (QCA) today approved the amended 2019 DBCT DAU, which Dalrymple Bay Infrastructure Management Pty Ltd (DBIM) submitted to the QCA on 12 May 2021.

The amended 2019 DBCT DAU complies with the secondary undertaking notice that the QCA gave to DBIM on 30 March 2021, and is therefore appropriate to approve in accordance with section 134(3) of the *Queensland Competition Authority Act 1997*. The amended 2019 DBCT DAU now becomes the approved 2021 DBCT access undertaking.

Please be advised that we will publish this letter on our website, to advise stakeholders of our decision.

We would like to take this opportunity to thank DBIM for its role in enabling a timely replacement of the 2017 DBCT access undertaking. We appreciate the valuable contributions made by DBIM and other stakeholders through the assessment process of the 2019 DBCT DAU.

Yours sincerely

Professor Flavio Menezes
Chair
