Dear Dr Roberts

**Queensland Resources Council UT4 Submission – Corrected Part 11
Mark-Up**

We refer to the submission of the Queensland Resources Council (**QRC**) in relation to Aurizon Network's 2013 DAU dated 15 October 2013 (**Submission**).

We wish to advise the Queensland Competition Authority of a typographical error in the QRC's mark-up of "Part 11: Dispute Resolution", located in volume 2 of the Submission. It has come to our attention that the mark-up in that section does not identify in tracked changes all of the changes made to the 2013 DAU by the QRC.

This error has been rectified in the updated version of the QRC's mark-up of Part 11 **enclosed** with this letter. We confirm that no other changes have been made to the QRC's drafting.

We apologise for any confusion caused.

Yours sincerely
