

TO WHOM TO CONCERNS,

27 JAN 2005

MY FAMILY AND I MOVED TO  
DATE RECEIVED

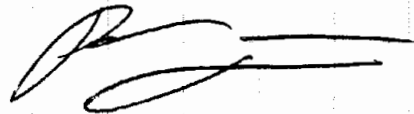

MT LARCOM IN MAY 1992. IN THE TIME I HAVE BEEN  
HERE, ANY IMPROVEMENT TO OUR WATER SUPPLY  
HAS BEEN FUNDED BY Q.C.L. NOW CEMENT  
AUSTRAL. FOR THE G.A.W.B TO SUGGEST THAT  
THE OUTRAGEOUS (1300%) INCREASE IN WATER  
CHARGES HAS ANYTHING TO DO WITH RECOUPING  
COSTS OUT LAID, IS NOTHING SHORT OF FRAUD  
WE ALL APPRECIATE THE FACT THAT INCREASES  
ARE NECESSARY TO COVER COST OF SUPPLY RISES,  
I AM UNPREPARED TO ACCEPT ANY RISE OTHER  
THAN METERED OUT TO CALLIOPE AND BOYNE  
TANNUM RESIDENTS WHICH IS AN INCREASE  
OF 100% OF CURRENT PRICES.

OVER THE YEARS I HAVE TAKEN ON CARING  
FOR FOUR AGED PENSIONERS YARDS AND  
THE C.W.A. AND I CAN ASSURE YOU THAT  
SUCH AN INCREASE WOULD BE A SICKENING  
BLOW TO THESE PEOPLE.

CONTINUED

IN DEED I FEEL THAT THE VERY THREAT  
OF SUCH AN INCREASE COULD POSE A VERY  
SERIOUS THREAT TO THE CONTINUED WELL  
BEING. IN ALL FAIRNESS AND EQUITY  
WHY SHOULD MT LARCOM RESIDENT PAY  
FOUR OR MORE TIMES THE RATE FOR A  
SERVICE WHICH IS EVERYONES RIGHT.  
WHEN IT COSTS NO MORE PER LITRE TO  
DELIVER WATER TO MT LARCOM THAN IT  
DOES TO DELIVER WATER TO AGNES WATERS  
TAKE INTO CONSIDERATION THAT IF THE  
LOCAL SERVICE STATION TRIED TO TAKE UNFAIR  
ADVANTAGE OF ISOLATED LOCATION TO PUT  
A 1300% PRICE RISE ON THE FUEL. YOUR  
BODY WOULD NO DOUBT IMPOSE HEAVY  
FINES AND MAKE THEM REGULATE BACK  
TO A REASONABLE AND JUSTIFIABLE  
PRICES

YOURS SINCERELY PETER WAGENKING  
CHT
