Aurizon Network's 2019 Volume Reset DAAU—Notice of time periods

The Queensland Competition Authority received a draft amending access undertaking (DAAU) on 25 October 2019, seeking to amend the 2019–20 volumes, allowable revenues and reference tariffs in its 2017 access undertaking.

Statutory requirements

Section 143(3) of the QCA Act provides that the QCA may only approve a DAAU if (among other things) it has published the DAAU, invited submissions on it and considered any submissions received within the time provided.

In accordance with section 146 of the QCA Act, we hereby notify stakeholders that we intend to conduct an investigation to decide whether to approve, or refuse to approve, this DAAU.

We have published Aurizon Network's 2019 Volume Reset DAAU on our website (www.qca.org.au) and invite submissions from interested parties.

The closing date for submissions is **Tuesday, 3 December 2019**.

Time periods

In accordance with section 147A(2) of the QCA Act, the QCA must use its best endeavours to decide whether to approve, or refuse to approve, a DAAU within six months from the last day of the time for making submissions stated in the notice of investigation.

The six-month period does not include any of the following periods:

- a day in the period given by the QCA for making submission in relation to a DAAU or a related document
- a day in the period where a person has been required to give information or produce a document in response to a notice given by the QCA under section 185 of the QCA Act
- day(s) agreed to, by the owner or operator of the service or the responsible person, as not being included in the six-month period.

The six-month period commences on 3 December 2019 and is scheduled to end on 3 June 2020. However, the end date may be extended to account for any future periods of time that are excluded from the statutory timeframe in accordance with section 147A of the QCA Act, including any further consultation periods.

An updated notice of time periods will be issued detailing any changes to the stated timeframe for assessing Aurizon Network's 2019 Volume Reset DAAU.

Confidentiality

In the interests of transparency and to promote informed discussion and consultation, the QCA intends to make all submissions publicly available. However, if a person making a submission believes that information in the submission is confidential, that person should claim confidentiality in respect of the document (or the relevant part of the document) at the time the submission is given to the QCA and state the basis for the confidentiality claim.

The assessment of confidentiality claims will be made by the QCA in accordance with the *Queensland Competition Authority Act 1997*, including an assessment of whether disclosure of the information would damage the person's commercial activities and considerations of the public interest.

Claims for confidentiality should be clearly noted on the front page of the submission. The relevant sections of the submission should also be marked as confidential, so that the remainder of the document can be made publicly available. It would also be appreciated if two versions of the submission (i.e. a complete version and another excising confidential information) could be provided.

A confidentiality claim template is available on request. We encourage stakeholders to use this template when making confidentiality claims. The confidentiality claim template provides guidance on the type of information that would assist our assessment of claims for confidentiality.

Public access to submissions

Subject to any confidentiality constraints, submissions will be available for public inspection at our Brisbane office, or on our website at www.qca.org.au. If you experience any difficulty gaining access to documents, please contact us on (07) 3222 0555.
